

Saint Ann School

Where Faith & Knowledge Meet

Reopening Plan and Guidance

Saint Ann School Families,

I hope that even during these unparalleled times you are finding ways to relax and rejuvenate during the summer months.

I recognize that there is much uncertainty in personal and professional lives. I also realize there is uneasiness as we prepare for September. Saint Ann School is preparing to open with three options for our learners in K-8. We will provide traditional 5 day a week in person learning, 5 day a week distance learning, and a hybrid option of either 2 or 3 days in person and the remainder virtual. We realize that the current situation is evolving and the Governor, based on health trends, may require schools to shut down prior to the start of the school year. The Saint Ann School faculty will be prepared for this condition as well.

After careful consideration, we have determined it to be in the best interests to only provide in person instruction to the preschool students.

Please take time to read the Reopening Plan attached here. If you have any questions regarding the reopening plan, please send them to the following email: sasplan@st-ann-school.org.

These are difficult times for all of us and I continue grateful for your continued support of our school.

God Bless,

Salvatore Chiaravalloti

Principal
