## HOSPITALITY GROUP

August 14, 2019

Dear Saint Ann's Parent(s),

We hope this communication finds you and your families well and that you enjoyed the summer despite these unfortunate times we are experiencing with Covid 19.

The GRETALIA Hospitality Group is pleased to return as your food and beverage management company. We look forward to providing your children another exciting and healthy peanut free food program, offering variety and freshest ingredients sourced from our local restaurants. I would also like to take this time to ease any concerns you may have by making you aware of some of the health and safety precautions we are taking. First and foremost, all of our restaurants where the food is sourced are following extra stringent mandatory guidelines and frequently inspected by the local municipal health departments. Second, the food sourced will be handled by employees wearing masks and gloves and subject to temperature checks upon entering the workplace. Lastly, our school cafeteria staff will not only be following the same guidelines as above but in addition will be individually packaging each and every lunch order that will be specifically safety sealed, labeled and delivered to your child in their respective classroom. It is our hope that these precautions will provide some peace of mind as well as a safe and comfortable dining experience for your children.

Below, we present to you our 2020-2021 pricing program which will allow us to continue to provide your child a lunch that is healthy and enjoyable. In full disclosure, we will be adding a modest increase simply to cover the cost of all the added precautionary packaging and labor required to serve your children safely.

We ask that you kindly remit payments to the LUNCH ROOM (SHERRY TYLICZKA),

all checks be made payable to **TRATTORIA PROCACCINI.**

Below we have listed our incentive pricing program.
