

# Saint Ann School

## Where Faith & Knowledge Meet

Dear Saint Ann School Families,

Today I write to inform you of the 2021-2022 school year tuition for K-8. The tuition for the upcoming year will see a 2.5% increase. This averages to approximately \$150 per child.

Why a 2.5% increase? The rate is similar, and in some cases lower, than previous years. This allows us, as a school, to continue to provide a quality education to your children while making sure our teachers and staff have everything they need to provide success in and out of the classroom to their students. It also grants us flexibility to continue implementing the precautionary measures we have in place to provide a safe and healthy environment in dealing with the ongoing COVID-19 crisis.

The parish, as in years past, continues to provide a separate subsidy for the school. All parishioners are always encouraged to give what you can in support of our wonderful parish. Being a parish school we are provided with use of various facilities to support our academic and social programs. It is always important to value the relationship with our parish. Active participation in the parish is encouraged and appreciated.

There are no additional school fees (technology, STREAM, etc.) as they are already incorporated directly into the tuition. Please see the tuition information sheet for all tuition rates.

This year we will be adding the \$15 PTA membership fee to all tuition balances. This will allow for an easier collection. This will be added to your account after choosing a payment plan.

I am excited to announce that the Saint Ann School School Board approved a new family referral program. Returning families will be eligible for a \$250 tuition credit for each new family they refer who register and attend Saint Ann School. Please reach out to me directly if you have any questions.

Should you require clarification of any matter pertaining to tuition or any other registration questions, please do not hesitate to contact me.

God Bless,

*Salvatore Chiaravalloti*
