

Dear Saint Ann School Families,

On behalf of the St. Ann student body, faculty, and administration, I am pleased to invite you to our Christmas program which will take place on **WEDNESDAY, DECEMBER 15, 2021** at **6:30 PM in the Church**. The students should arrive at the **FDC by 6:15 PM accompanied by an adult**. The students will report to the following FDC rooms at that time:

First floor: *Library - grades K and 1* *Community Room - grades 5, 6, 7, 8*

Second floor: *Music Room - grade 2* *Orange Room - grade 3* *Red Room - grade 4*

DRESS CODE:

The Evening performance is “dress-up”. NO tee shirts, jeans of any color, sneakers of any type, work books, or shorts. Students are asked to dress in Christmas colors, or jewel tone shades and prints. Please avoid wearing white tops and shirts. Please no perfumes, aftershaves, and heavy jewelry.

PARKING:

Please do not block any of our neighbors’ driveway. Your help is greatly appreciated.

ATTENDANCE:

All students are expected to participate. Centered on the performance, the musical aspects of this program satisfies many of my objectives for the General Music curriculum. Any student who is unable to attend will be expected to bring a note which explains the reason for absence, signed and dated by a parent or guardian. Remember, the program is a way of preparing our hearts for the coming feast of Christmas as we observe Advent. Please make every effort to attend the evening performance and honor the birth of Jesus.

PREPARATION:

Good health is important for a good vocal performance. You can help your child to do their absolute best by seeing that they get plenty of rest and dress appropriately for the outdoor temperatures. Many students will be assigned song and carol texts to study. The students are required to perform from memory: it would be helpful to assist them in their review.

Thank you for your cooperation and assistance. May God bless our efforts as we prepare for a beautiful school celebration of Our Savior’s birthday!

Sincerely,

Miss Meagher
