As a parish, we are grateful to those parishioners who give of their time serving in a ministry during Mass. In recent months we have experienced a significant amount of liturgical minister no-shows. The ministry schedule is published in the bulletin the weekend prior to the first weekend of the next month. Be sure to notify the parish office at (979) 742-3383 of any known scheduling issues, such as vacations, business, etc. that would make you unavailable on a certain day or time period for the coming month, so the schedule may be prepared appropriately. Please report NO LATER than 15 minutes prior to the Mass start time. This will reduce the turmoil that arises in trying to find a replacement in such a very short notice. It is your responsibility to attempt to find a replacement when you are scheduled but cannot serve. A list of all the ministers and their phone numbers can be found in the Priest's Sacristy. You can use this list to help find a replacement. If you are not assigned to help at Mass that day and would like to assist if needed, please check in before Mass begins. Appearance is important in the Church. We encourage you to always dress like you have come to do something important, that is, to worship God. That way if you need to fill in as a minister, you will be properly dressed. Thanks for doing what you are doing. It is a great service to the parish and all of the effort you make is deeply appreciated.

\*If anyone is interested in volunteering for any of our ministries or have questions, please contact the Parish Office at (979) 742-3383.
