RADICAL TRANSFORMATION

On this Thirteenth Sunday in Ordinary Time, the readings describe anything but an ordinary time. They are disturbing and they leave us disturbed. The Old Testament reading recounts a young man's radical break with the past to follow a new path. The Gospel describes how life as we know it is abruptly changed if we follow the call of Christ. The psalm and Paul assure us that such life-altering change is possible only because of the power of God's love. We are presented with a stark choice. To love as God loves, we must leave our old lives behind. We must leave behind not just the bad, the selfish, and the evil but the ordinary, our daily work, and the important, our families, our lives. Loving as God loves requires a radical transformation, not a smooth transition.

TREASURES FROM OUR TRADITION

Processions are life's journey distilled. We move with companions, aware that Christ accompanies us, as we move to the altar for Communion or to the font for baptism, or carry a loved one to a place of rest. In Europe, the season of pilgrimage is beginning now, and tens of thousands of people are moving by foot on well-worn paths. Some take as long as six weeks to walk the last few hundred miles of the medieval pilgrimage route to the Shrine of St. James the Apostle in Compostella, in northern Spain.

Those who make the journey by foot, hiking, or by bicycle, have a kind of passport stamped at villages and monasteries on the road. When they present this document at the cathedral, they are given the emblem of a pilgrim, the scallop shell of St. James. High over their heads at Mass, a huge *bota-fumero* twirls clouds of sweet incense through the cathedral. Cynics say it is to mask the odor of smelly feet. The pilgrims know better. Seeing through the clouds the happy faces of those they met along the road, they recognize a foretaste of the welcome into heaven, and the joy of meeting loved ones in the Kingdom of God.
