By the time you read this bulletin message, **our new name** and that we are one parish should have been announced and that it **will become effective on July 1**. Because of the bulletin’s early deadline, I do not have that official information as yet. But by May 18, the Bishop will officially announce this.

These are exciting times. I know that they are **also times of great anxiety** for some. **But remember** the most common phrase of our Savior in Scripture is “**do not be afraid**” or “**fear not.**” **Jesus said these words** more than any other statements in all the new testament. I believe he said these words for a reason, of course. Fear is often the very thing that causes us to sin. In fact, I believe behind just about any sin you can name, there is an element of fear as the motivation. For example, people who are afraid they will do without, steal. People who are afraid they may get in trouble, lie. People who fear failure often cheat. The list can go on and on. Consider any sin; fear is often one of the motivating factors. In the place of fear, we must trust in God and one another. All those who have gone before us in Lawrence County have faced challenging times in the past. They chose to establish parishes, build churches and schools. They did what was needed in their time in history.

**This is our time and our history.** We have to prove to the world that we are noble descendants of the generations who have gone before us. They had the courage to do what was needed in their time. **We also must roll up our sleeves and do what is needed in our time.** We have to stand strong, be united and show that we trust in the Lord and will do whatever we can to live our faith in Him and pass it on to the next generation.

There is a great deal of work that must be done and it cannot be done alone. We have to work together. I am so very grateful to all of you who have been working together and have got us to this point so quickly. When I was assigned to the seven parishes of Lawrence County, **the Bishop said we had two years** to be ready to be named one parish. This has been **accomplished with the grace of God and your cooperation within six months!** We are a year and a half ahead of schedule! There is a great deal that still must be done, but I am confident if we continue to work together and pray together, we will indeed stay together! This we must do for the sake of those who will come after us.

These are indeed historical times. And future generations depend on what we do and what we do not do during these days and years ahead. **Take the good work the Lord has begun in us; bring it to fulfillment!**

God love you,
5th Sunday of Easter

### Trivia Answer

C) Praise God!

The word “Alleluia” (and its alternate spelling “Hallelujah”) is taken directly from the Hebrew language and means literally Praise God. For both Jews and Christians, the term has been used as a joyful expression of praise and thanksgiving to God. “Alleluia” was used in the Old Testament in the book of Psalms, especially Psalms 104-150, the Praise Psalms. Today in common usage, we exclaim the word to indicate our approval or express our thanksgiving.

Throughout the 40 days of Lent, we had refrained from using the jubilant word Alleluia. Now throughout the 50 days of the Easter season, we gloriously sing out “Alleluia” repeatedly. We use the word to express our joy that Christ is risen and lives among us and in us. Jesus was raised from the dead by God! And we, too, live forever with him! In our prayers and songs we repeatedly praise God for this. Rejoicing that through Christ’s death and resurrection we are saved, we unite ourselves to him through our own daily dying to sin and rising to live as he did -- in service to others. This is the wonderful and good news that excites us as Catholic Christians, prompting us to sing and proclaim enthusiastically, “Alleluia!” over and over again.

What could ever be more magnificent than what we celebrate during these 50 Days of Easter? How excited are you about the Resurrection? How excited are you that Christ is alive and lives in the heart of each one of us? How excited are you that you actually share in the life of God in such an incredible way? So, are you an “Alleluia” person? Praise God! Alleluia!

### CATHOLIC UPDATE
The current issue of the Catholic Update is entitled “Mystagogy” with a subtitle of “Deepening the Christian Experience.” The article explains the last stage of the initiation process, from Easter through Pentecost, when new Catholics intensify their understanding and appreciation of the mysteries of our faith. Pick up a free copy of the CU from the table in the narthex at St. James or contact Sr. Zoe for a copy. Read it and see what you think!
Family movie nights are a great way to bond with each other, especially in this day and age when everyone has their nose in a different electronic device and are doing their own thing. On any given evening, your home might look something like this – one is playing video games, while another is Face Timing a friend, and another is YouTubing.

It is important to note that the definition of family does not only mean parents with children, but family includes those couples without children, too. Electronics can be an effective means to unify and evangelize your family. An example of good electronic usage is by utilizing our parish subscription to FORMED to find movies that are entertaining and have sound Catholic moral values. With the school year winding down, and no more evenings to do homework (at least until the Fall), make time to pop the popcorn and gather together to watch some good movies this summer. But not only watch the movies – discuss what you have watched so that you may grow together in understanding the meaning of our Catholic faith.

If you haven’t yet signed up for FORMED, it is very easy. Just go to www.lccatholics.formed.org, click on the “Register Now” rectangle box, create your account by filling in the form; then be sure to scroll down to “CREATE ACCOUNT” and click on it. It’s that easy and it’s free. Some of the offerings in Formed are pictured below:

In The Holy City
The second reading today and next week comes from the Revelation of St. John. He talks about his vision of The Holy City, the New Jerusalem, coming down out of heaven from God!

“I heard a loud voice from the throne saying, “Behold, God’s dwelling is with the human race. He will dwell with them and they will be his people and God himself will always be with them as their God.” He also says that there will be no more sadness or death. Can you imagine spending eternity there?! I wonder sometimes what it will be like.

One thing I’m sure of, there will be lots of SINGING! Music is mentioned many many times all through the Bible. How our Lord must love when we sing! Our Sunday Mass is full of singing! Heaven must be full of song! My favorite part is the Holy Holy.

Before we sing, the priest says (something like) “Therefore, overcome with paschal joy, every land, every people exults in your praise and even the heavenly Powers, with the angelic hosts, sing together the unending hymn of your glory, as they acclaim,” Holy Holy Holy! WOW (the angels and saints are singing with us!) If that’s not a foretaste of the Holy City, I don’t know what is!
When so many suffer the scourge of human trafficking, your contribution is saving lives.

In a small village in Bihar, in northeast India, lives a boy named Triveni, 11, and his sister Premshila, 13. Shortly after Triveni was born, he and his siblings were orphaned, and their older brother became their guardian. The children, needing money, withdrew from school to work. In India, the lack of education and job opportunities puts children at particular risk for human trafficking for labor or sexual exploitation.

Your support for The Catholic Relief Services Collection helped Triveni and Premshila avoid this fate and gave them hope for the future. Your generosity helped this brother and sister re-enroll in school. They now receive school uniforms and daily lunches. Triveni has become a peer leader, warning other young people about the dangers of child migration and human trafficking. Children like Triveni and Premshila need you to continue this lifesaving work.
