A few weeks ago, I invited all the interim Pastoral Council and Finance Council members, and some folks who have expressed interest in participating on these councils, to come to a very important strategic planning meeting on Saturday, July 27. This meeting took place from 9:30 am to 1:30 pm in McGurk Hall at St. Camillus. **Facilitating this endeavor was consultant, Tom H. Murray.**

Mr. Murray, founder and principle of Wexford Run Consulting, assists executives and senior managers with strategic planning, marketing, product management, and M&A activities. He leverages his expertise, structured approach, creativity, and coaching style to help executives and their teams create and implement growth initiatives.

Tom is a proven executive with over 20 years’ experience in high tech strategic planning, marketing, and product management. He has worked for high growth firms, both domestically and internationally, ranging from start-ups to multi-billion dollar organizations. His accomplishments include identifying and justifying strategic acquisition and OEM relationships, developing over 40 strategic analyses/proposals, managing over 15 product lines, conceiving and developing a $100M+ product line, and establishing the marketing foundations for two start-ups.

Mr. Murray is also an adjunct professor of Strategic Planning and Product Management courses at CMU’s Graduate School holding a BSEE from the University of Notre Dame and an MBA from the University of Pittsburgh.

**Over several hours, he guided us as we studied what it means to be a parish, developing our purpose and our goals as a parish community. In addition, we explored and examined all of our resources and how best we could use them to achieve our goals.**

My hope is that after going through this process together and refining it with the leadership team, we will be able to come to all of you as a whole and go through the same process together to glean your input, insights, wisdom, and suggestions. We will host town hall meetings to ensure transparency. *Please watch the bulletin and the Holy Spirit Parish website (see note below) at www.hsplc.org for announcements of these upcoming meetings.*

God love you,

2019 PARISH SHARE CAMPAIGN
2019 Parish Share Goal: $ 424,989.00
2019 Parish Share Paid: $ 165,530.10

We have had several inquiries regarding the On-Line Giving option for parish contributions. Prior to the merging of all the parishes on July 1, 2019, we began looking at how to consolidate the separate parish On-Line Giving accounts into one new account for Holy Spirit Parish.

We have been working closely with Vanco, who is our current service provider for On-Line Giving, to determine the most efficient way to consolidate all parish accounts without too much disruption for all who use the on-line giving option. Thus far we have not yet come up with an easy solution. We appreciate your patience and understanding as we work through this process, and we hope to have a resolution soon.

PARISH SACRAMENTAL RECORDS:
From time to time parishioners have a need to obtain information about the sacraments they have received, such as getting a Baptismal Certificate. With the founding of Holy Spirit Parish, we have been instructed by the Diocese to transfer the sacramental records of the former 7 parishes to the Diocesan Archives & Records Center. This helps maintain the integrity of those records, keeping them all together in one place rather than being distributed over multiple buildings.

Please note these records were transferred to the Archives as of July 10, 2019.

In the future, should you need a sacramental record which was recorded at any former parish, you will need to contact the Diocesan Archives by calling 412-456-3158 or by e-mail: archives@diopitt.org.

They will be happy to assist you.

THANK YOU, THANK YOU, THANK YOU

Dear brothers and sisters in Christ,

I know that I cannot find the proper words to adequately express my sincere thank you to all of you for your great generosity to me as I prepared to leave Holy Spirit Parish. My true desire would be to send individual thank you notes to everyone who sent me cards and gifts; however, the number is so very great that I am not able to do this. One thing with being assigned to a new parish, is that you have to hit the ground running, and you don’t have much free time. Therefore, I ask your understanding that I am sending this huge “thank you” by means of the parish bulletin.

Your generosity is beyond compare. So very many of you took time to write beautiful messages in the cards you sent. Many of the messages brought me to tears. The gifts you included with the cards are so greatly appreciated. May God bless you for your thoughtfulness and kindness.

I am grateful to the Ladies Guild for putting together a wonderful reception for me after the 4 pm Mass at the St. Vitus site. I will never forget it. I also thank all the members of the parish staff who have been so kind, loving and helpful throughout my nearly seven years in Lawrence County. I wish my brother priests and deacons well and am thankful for their support and prayers. All of you are like family members to me, which makes leaving so difficult.

I continue to keep all of you in prayer and ask that you continue to pray for me as well. No matter where we may be, we are always united in the one faith we share in Jesus Christ. His Gospel Message must always be proclaimed in our daily lives. We continue to be God’s people living his Gospel in every way possible. May the Holy Spirit unite and guide you always.

Once again, thank you for everything you have done for me.

Sincerely in Christ,

Fr. Bill Siple

Taking Holy Spirit to the greater Lawrence County community

Holy Spirit parishioners set up a tent in downtown New Castle for the Fireworks Festival and evangelized to the Lawrence County community. Throughout the very hot day and into the night we received prayer requests, had meaningful discussions of faith, and offered free rosaries and books about our Catholic faith. We may never know if our work changed any lives that day, however, the prayer requests we were given is evidence enough that people are reaching out to God. Each of us are the instruments through which Jesus utilizes to reach those who are separated from God’s love. Please continue to pray for who those who do not have a relationship with Jesus, and also, for the faithful who are sharing God’s message of love.
