18th Sunday
IN ORDINARY TIME

[Jesus] said to the crowd, “Take care to guard against all greed, for though one may be rich, one’s life does not consist of possessions.” - Lk 12:15
This week, beginning on August 7th, the first major festival of Holy Spirit Parish will begin and continue for four days! A huge thank you to everyone who has donated, volunteered and assisted in any way in making our first festival a reality! Special thanks to the festival committee which has worked for many months pulling this all together. It is a wonderful event of fellowship and fun for the entire community. None of it would be possible without many hours of volunteer help and organization. We give thanks to God for his many blessings and also for the gift of each other. See the schedule on our cover page which highlights the food special of each evening as well as the entertainment.

This past week, Sr. Annie led a summer work camp for girls in the parish of Holy Spirit. Three sisters of St. Francis and nine young teenage girls spent the week doing service projects at the parish sites of Christ the King and St. James. They also helped at the wonderful, young people’s and families’ picnic at St. James site this past Sunday. They washed tables down at St. Vitus for the upcoming parish festival and they hosted a pro-life baby shower with over 100 women and girls who came with gifts for Alpha & Omega and Catholic Charities. They ended their week visiting the Franciscan sisters in the Wexford area.

There was a fabulous family picnic for the young families of the parish hosted at St. James site this past weekend, Sunday, July 28, from 1 to 5 p.m. Thank you to Rose Butch for organizing the Holy Spirit Family Gathering and its activities, and all her volunteers, especially the core crew of Ilana Ilongo, Heather McCosby, Amy Chornenky, Jean Pascale, Joe Mercurio, Pete Pascale, Doug Butch, Lorrie Millette and Chris Baker, who got drenched in the dunk tank. See page 12 for pictures and more information. We look forward to having many such celebrations to get the families with children to know one another! Look out for their next adventure. Rose is already planning for a September 29 event from 5:00 to 9:00 pm.

From the Desk of Deacon John:

Often, we hear people comment “the Church is tax exempt” and does not have to pay any taxes. While it is true, we have tax exempt status from sales tax, the Church does NOT have 100% tax exempt status when it come to property taxes.

Presently we own **59 parcels of land**, and pay County, Municipality and School taxes on most all of them. We are exempt from paying taxes on Cemetery Ground.

Additionally, we have exemption from paying taxes on the assessed value of our school, worship sites and buildings used for religious education purposes. Thus, all our remaining properties are subject to tax. These include our office space, rectories, social halls as well as all vacant properties. Each year we receive a tax bill for all taxable buildings and properties based on their assessed value.

Holy Spirit Parish presently pays annually just over **$74,000.00** in property taxes.

So, the next time someone tells you that we do not pay taxes, you can assure them we DO!

Parish Sacramental Records were transferred to the Diocesan Archives as of July 10, 2019. In the future, should you need a sacramental record which was recorded at any former parish, you will need to contact the Diocesan Archives by calling **412-456-3158** or by e-mail: archives@diopitt.org. They will be happy to assist you.

Do you know the very first time that music is mentioned in the Bible?

Genesis 4:21 (it’s part of a genealogy history) “Jubal, who became the ancestor of all who play the lyre and the reed pipe.” The lyre is a stringed instrument similar to a small harp and a reed pipe is really any kind of pipe made of reeds, wood or metal that makes a musical sound by blowing into it. The majestic “Pipe” organ is a series of reed pipes and wood pipes and metal pipes!

The name Jubal is related to the word “jubilee” or “jubilant” and music certainly can be jubilant, although it can express many emotions. That’s not to say that before Jubal, there was not music. There is music all over creation!

Shakespeare said “The earth has music for those who listen.” As soon as a baby learns to make sounds, he/she may hum and even sing! Instruments beautifully enhance our music for worship, but our voice is the most perfect instrument! Lets use the voices that God gave us to sing His praises!
