Please keep our 76 confirmands in your prayers as they will be confirmed by Bishop Zubik on October 20 at 2:00 pm at St. Vitus. My sincere gratitude to all of the parents and catechists for helping our young people prepare for this important sacrament. Please remember that Confirmation is not the end of one’s relationship with the parish or one’s education in the faith, it is just the beginning. We hope and encourage all of our newly confirmed to fully participate in the life of the parish by embracing liturgical ministries, outreach opportunities and our youth ministry and CYO.

Speaking of CYO, their major reunion will be on the same evening as confirmation, October 20 at Mary, Mother of Hope site in the Parish Center from 5:00 pm till 9:00. Thanks to the CYO alumni for organizing and reestablishing a CYO program for our teens. This is a tremendous sign of their love for our young people and our Catholic faith.

On October 19, there will be a special Mass at 10:00 am at St. Vitus for all those in need of the Sacrament of Anointing. This is a wonderful opportunity for you, or one of your loved ones, to experience the healing powers of this very special sacrament. If you know of someone who needs the Sacrament of Anointing, please make every effort to bring them. If you yourself are in need of the sacrament and have no way of getting here, please call the parish office 724-652-3422.

God love you,

We have lots going on this week!

What Discovering Christ has meant to me.

Over 400 people so far have participated in Discovering Christ in our parish. The next Discovering Christ experience will be Tuesday evenings at St. Camillus site -- October 22 thru December 3. Discovering Christ has touched the lives of the participants. Here, and in the next two bulletins, you will read testimonies for what Discovering Christ has meant for them. The following is the experience of parishioner, Michele Lagnese.

"Praying in front of the Blessed Sacrament allowed me to become more attentive of what God wants from me. In his presence, he has nurtured and called me to experience his joy and love in fellowship and prayer. I found this very experience through the Discovering Christ Program. Discovering Christ has provided me with the peace and joy that God wanted me to experience, and I found great fellowship in those who I encountered there with me. There are so many of us out there who live in darkness, in aloneness, and we endure so much pain because we never have the opportunity to share our stories and our faith with those around us.

At Discovering Christ, I have found joy in being able to express who I am and how I feel, and what experiences I have had that transformed my faith. It truly was great to know that I could express myself and have no fear, because everyone there is longing for the same thing. I was able to receive so much more in blessings, prayer, and support knowing that I could express God’s love with others.

Discovering Christ enabled me to stretch out my hands and receive God’s Blessings from all who were there, as well as offer myself and the gifts that were bestowed on me as instruments to heal and comfort those around me. I am so thankful. God was shining so bright in the faces of those who discovered Christ in a deeper way with me. I will never forget that visual. May God Bless You Always."

Taize prayer seeks to heal the heart and soul

Thursday, October 10, at Villa Maria is the first Taize prayer of the season. What is Taize prayer? Taizé is simply the name of a town in France. In 1940, a man known as Brother Roger founded a small community of Christians in Taizé. During the war, Brother Roger sought to create a community of healing and refuge. He commented, “The defeat of France awoke powerful sympathy. If a house could be found there, of the kind I had dreamed of, it would offer a possible way of assisting some of those most discouraged, those deprived of a livelihood; and it could become a place of silence and work.” The Taizé community, then, was born out of a vision to create a space for people to find God in the midst of brokenness. Hence, the name of the church in Taizé is the “Church of Reconciliation.”

After the war this community began to grow. Besides the 100 permanent members of the Taizé community, there are currently over 100,000 visitors to Taizé annually. During the peak summer months, the small town of Taizé will receive up to 5000 visitors who come for spiritual retreats. The majority of these ‘modern day pilgrims’ are young people in their 20’s. The Taizé community is also ecumenical in nature – meaning that it includes people from a variety of Christian denominations.

The Taizé community has had a major impact in the area of prayer and worship. They have developed a large repertoire of their own music, which is now sung around the world. Taizé music is very contemplative in nature. It usually involves a simple one or two line refrain that is repeated multiple times. As the refrain is repeated over and over, different instrumental and vocal harmonies are brought in. The purpose of this repetitive singing is to help us focus and contemplate on a single aspect of God for an extended period of time.

Brother Roger explains the purpose of a prayer service at Taizé in this way: “From the depths of the human condition a secret aspiration rises up. Caught in the anonymous rhythms of schedules and timetables, men and women of today are implicitly thirsting for an essential reality, for an inner life. Nothing is more conducive to a communion with the living God than a meditative common prayer with, as its high point, singing that never ends and that continues in the silence of one’s heart when one is alone again.”

From the desk of Fr. Victor Molka, Parish Chaplain: Healing Mass, Saturday, October 19, 2019

A special Mass of Healing and the celebration of the Sacrament of the Anointing of the Sick will be celebrated on Saturday morning, October 19, 2019, at 10:00 a.m. at St. Vitus Church.

The sacrament is celebrated in the communal form and will be celebrated twice a year and should become an integral part of the prayer life of our parish family. Past teaching of the meaning of this wonderful sacrament (then called Extreme Unction) was only reserved for those at death’s door. However, as with all sacraments, the Anointing of the Sick is meant for the living.

Today, people of all ages young and old, are meant to receive the sacrament with the understanding that it is meant to bring life: spiritual, emotional, mental and physical. For one person, the Anointing may bring strength. For another, peace of mind, healing of mind, body, and soul. How and why the Lord works is not for us to judge.

Who can receive the Sacrament? Anyone who feels he or she falls into any one of these situations: a person suffering from a life-threatening illness or a disease that affects the body; a person preparing for a serious operation; a person experiencing the frailties of age; someone who is suffering from psychological difficulties such as depression or addictions. And yes, even children whose parents understand the importance of this sacrament for the well-being of their child.

You must be the judge as to why you are asking Jesus and the Sacrament to touch your life. It is yours for the asking. Come!! And please invite a friend.
