In this month of November, when we honor the saints and remember our deceased loved ones, let us give thanks to God for the gift of eternal life and pray that we might live our lives in such a way as to be truly identified as belonging to Christ. St. Teresa of Kolkata wrote and displayed this exhortation to her sisters in Kolkata.

These words of St. Teresa must have been part of her lived experience. And they were certainly a part of the lived experience of her sisters working among the poor. I can testify to the fact that it is also the lived experience of the pastoral team and staff of Holy Spirit Parish living and working in this community of Lawrence County. We are truly blessed to have many supportive, holy, and kind parishioners. People who volunteer to help and are very gracious and welcoming to others. But we are also plagued with a small group of people who attack and verbally abuse the pastoral team, staff, and other parishioners.

I guess this is to be expected in a broken world with broken people. But none the less, when it occurs, it is shocking and disheartening. Christ’s parting words to his disciples were words of encouragement and hope. He said, “You will have trouble in the world, but take courage, I have conquered the world.” –John 16:33

Strengthened by Christ our Savior, we persevere. In his beautiful words of the Beatitudes, Jesus calls us to rejoice when we are abused, slandered and mistreated for the sake of His Name. And so we do! Realizing that we have been called to serve Him and to please Him.

I have a sign in my office that reads, “I may not know the secret to success, but I know that the secret to failure is trying to please everyone.” Keeping the main thing the main thing is striving to please Christ and serve His people given our resources and circumstances. We thank all of you who are sincerely working, praying, and striving to do the same. We also, according to the command of Christ, pray for those who are not. May Christ intervene in their lives and hearts.

God love you,

*From the Desk of Deacon John:*

Over the last several weeks I have been asked about the income results of our August Parish Festival. First, my apologies for the delay in reporting this information. We have been waiting on some final invoices, which have recently been received. We wanted to provide complete and accurate numbers without having to go back several times and provide revisions.

The Festival Committee will be meeting this week to review the final festival income and expenses. We hope to provide in next week’s bulletin the final numbers for the festival.

Additionally, we are hoping to soon report on the income and expenses from the Fall Craft Show and the Oktoberfest. I would like to underscore the fact that **ALL** the fundraising proceeds **STAY** here at the parish. They do not go to the diocese. In fact, fundraising proceeds have been designated to be used for St. Vitus School, the Faith Formation Program, Youth Ministry and Social Ministry.

We appreciate your patience as we work on finalizing our income numbers.

You may have noticed at some of our sites the new “Holy Spirit Parish” signs have been going up. Presently they are up at St. Anthony, St. Camillus, St. James and St. Vincent de Paul. We hope to have the remaining ones placed soon. When we began placing the new signs, we found out we needed to apply and pay for special permits for some of them due to their locations. The total cost was $250.00. We have now obtained all the necessary permits and are able to proceed in placing the remaining signs. As the saying goes, “nothing is ever easy!”

With the cooler temperatures moving in, we have now begun heating buildings. I know when I start up my furnace at home for the first time, I anxiously wait to see if it is going to work properly. Imagine doing the same thing with the many heating systems in all our buildings. I have been receiving inquiries as to why the heat has not been turned on at St. Joseph’s. It has been turned on, and we have come to discover an issue with the heating system there. A service call has been placed to check out the system, and thus hopefully the system issues will be resolved by this weekend. We apologize for any inconvenience. We work very hard to insure all heating and cooling systems are properly maintained and in good working order. However, due to the age and vintage of some of the systems we have, chances are they will fail on occasion.

Blessings to you and yours.

God love you,

*Deacon John*

This past October was designated as a time for us to remember to respect life, all life, not only the lives of the unborn, but for everyone given the opportunity to enter this world. The indelible gift of human dignity is meant for every soul, no matter what crime that person has committed. It is important to remember that every Saint has a past and every sinner has a future.

Last week, Dr. Harry Dudley gave an informative presentation about the need for ministering to people who have been incarcerated. We often think the only person who needs help is the one behind bars, but prison ministry is so much more than that. The children and spouses left behind are in desperate need of a loving hand to help them cope with the incarceration of their loved one. This may mean helping them through their loneliness or helping them find a way to put food on their tables and pay their rent. There is also a great ministerial need to help the one who is imprisoned to reintegrate into public society after they have served their time in prison. So often when they leave the jail, the only thing they own are the clothes on their back and they have no transportation or place to live.

Right here in New Castle we have a medium-security jail for female and male adult inmates that houses up to 275 prisoners. Prison ministry is an awesome opportunity for evangelization. We currently have less than a handful of parishioners providing prison ministry. Our pastoral care minister, Sr. Barbara Ann Johnston, is one of them. She has been ministering to the inmates at this jail for 18 years and she needs help.

Dr. Dudley shared valuable information about the Catholic Prison Ministries Coalition. You can find it online at catholicprisonministries.org. This site provides necessary information you need to understand Prison Ministry. There are free webinars and training, resources, Pen Pal Program, and so much more. Please visit the online site to see how you can become involved in Prison Ministry. For more information contact Dr. Dudley at ddredudley@gmail.com and Sr. Barbara Ann Johnston at bjohnston@hsplc.org.

Organ or Liver? By Vicki Onufmak, guest columnist

When I think about my ministry of nearly a half century serving Holy Mother Church as an organist, I feel very blessed. Despite dealing with all the changes over the years, it has truly been a rewarding experience. It hasn’t always been easy, but the Lord, our dear Blessed Mother, and St. Cecelia have been my constant helpers. They’ve guided me with tender, loving care and at times have given me a dose of comic relief when things would get a bit stressful.

Like the time—this is a true story!—a gentleman called the church to ask if we had any use for an organ that he was trying to get rid of. He thought it would be nice to donate it to a church. So I went to check it out.

That evening as my boys and I sat down to dinner, I thought I’d tell them about my day, just for some conversation at the dinner table. I began like this, “I had a phone call today from some guy who wanted to donate an organ to the church.” Little did I realize the words “donate an organ” would conjure up in their minds the image of a body part. With no clue that my sons and I were on two different wave lengths, I proceeded to describe the “organ.” It belonged to this guy’s father who had passed away a couple years ago, but was surprisingly in good condition being it had sat in an abandoned home for some time. There was quite a bit of dust on it but that wouldn’t be a problem. It would probably need some repairs but what the heck, it was free, and maybe someone at the church could use it.

There was utter silence from my boys throughout this bizarre description of a human body part. Suddenly my older son, eyes popping out of his head, looked intently at me and said, “A LIVER?!! At which point, I burst into uncontrollable laughter for fifteen minutes before I could explain that the “organ” I had described was a musical instrument.

We’ve all said at one time or another that God has a sense of humor. Isn’t that the truth! I’ve told this story countless times over the years and I still chuckle. Thanks be to God for the gift of laughter. I hope when you see me at the organ you’ll think of this story and it’ll put a big smile on your face!

Beginning Sunday, November 24, there will be a tree up in the lobbies of the PreK-8 Faith Formation (CCD) areas located at St. Camillus and St. Vitus School. We invite the children to bring mittens, hats, gloves, and scarves during December to decorate these trees with “warm ornaments.” These gifts of love will be distributed to needy children in Lawrence County. Holy Spirit Parish children are encouraged to bring in a new item that is their size and place the “ornament” on the tree. Our tree will “glow” with the gifts of love to all of God’s children.

Stewardship requires us to be serious about being a good citizen
Where do you live? I live in North Carolina. There I pay taxes, own a home, and belong to a parish. North Carolina is in the United States, so I also abide by federal laws, pay taxes, and vote for candidates in all sorts of elections. I identify as an American and try my best to meet certain expectations placed on me by the government, state, and fellow Americans. I do certain things because of my identity.

Paul wrote to the Philippians, “Our citizenship is in heaven.” Being a U.S. citizen living in North Carolina places certain requirements on me. How many of us “citizens of heaven” take seriously the expectations and requirements of “that” citizenship? Sometimes we act like nothing is truly required of us.

We are called to follow the laws of the land we live in on this earth, but we are also called to adhere to an even greater authority. Whether it be our call to act with charity and love or to follow the precepts of the Church, we must take seriously our status as citizen.

People have given their very lives so that we may have to freedom to be citizens of our country and our state. Of course, many people have died for the citizenship of heaven as well. So it comes down to the question, who are you and to whom do you belong? —Tracy Earl Welliver, MTS
Will you share your Thanksgiving?
Thanksgiving is a time when we give thanks to our good and loving God for the blessings of family, food and friends! Yet, so many people will not have the means to celebrate a meal this year.

We, the people of Holy Spirit Parish, want to make a difference. Please consider providing a full meal for a family. Perhaps when you do shopping for your own meal, you could buy enough for another family. Items to be considered:

- Canned Yams
- Stuffing Mix
- Canned Gravy
- Evaporated Milk
- Pie Crust Mix
- Pie Filling (Pumpkin or Fruit)
- Cranberry Sauce
- Canned Vegetables and Fruit
- Frozen 10 – 12 lbs turkeys

These meals will go to the City Rescue Mission and St. Vincent De Paul Society.

Boxes/bags of the Thanksgiving meals may be dropped off at the St. Camillus site kitchen Wednesday, November 20, between 6:30 to 7:30 pm; Saturday, November 23, from 3:00 pm to 4:00 pm (before Mass); and November 24, from noon to 1:00 pm (after Mass). Please call Barb Strittmatter at 724-656-0942 if you will be dropping off donations. Thank you for your help.

If you are alone and would like the delivery of a prepared meal at Thanksgiving, please call 724-652-3422 x 4 by November 3, 2019 with the information below and a meal will be delivered to your home on Thanksgiving morning by the St. Vincent de Paul Society.

Holy Spirit Parish Funeral Ministry: Journeying Through Grief

As Holy Spirit Parish, we are united in assisting parishioners and their loved ones who experience the death of a family member or friend. To help them handle new emotions and loss, the parish provides a series of four books over time called *Journeying Through Grief*.

As of this date, there are now 67 families receiving the *Journeying Through Grief* books as they progress through their first year following the loss of a loved one.

Using materials supplied by the parish, 15 parishioners have volunteered to send out these books. Each volunteer is assigned to one family according to a prescribed schedule. They may also be assigned new families as the need arises.

If you are interested in the ministry and learning how you may be of help, contact Mary Ann Isaac, Holy Spirit Parish Social Minister, at misaac@hsplc.org.

As Veterans’ Day comes, remember local services are available for veterans and their families

Even if you have been to the Lawrence County Courthouse you may not have realized that there is a staffed Veterans Office in the building. They are open Monday through Friday from 8:00 am until 4:00 pm. If you are looking for help, you will need to bring in the Veteran’s DD-214. The Courthouse is located at 430 Court St in New Castle. Services include pension/compensation, death benefits, health benefits, education benefits, PA benefits, obtaining forms, home buying and improvements help. They also have Outreach and Involvement programs. The Lawrence County website is co.lawrence.pa.us/departments/veterans-office/services/.

Coming Soon

On the weekend of November 23 and 24, our Angel/Giving Trees will be placed at each of our worship sites. (This is helpful for Black Friday shoppers!)

*Christmas is the celebration of God-with-Us!*

One way to say “thank you” to God is by passing on the Gift. Through your generosity many children, adults in nursing homes, and those in need will be able to celebrate Christmas. Watch for trees at Holy Spirit Parish churches.
From the Parish Chaplain,
Father Molka

Hello everyone. I want to thank all of you for your support for my Ministry to the Sick. Your prayers and encouraging words mean a lot to me. I am doing my best to meet the needs of all the residents in our 12 Nursing Homes in New Castle and Lawrence County as well the Catholic Patients at UPMC Jameson Hospital.

I have been asked to make a schedule change for my weekday Mass on Thursdays at Quality Life Services (Golden Hill). We are trying to spread out the number of weeks in each month that the clergy (myself and a Protestant Minister) will be there for Mass or Services. My schedule tends to be more flexible to accomplish this. This change will provide the best spiritual care, and will benefit all Christians of various denominations.

Therefore I have agreed to move my Thursday Mass to the THIRD Thursday of every month, starting November 21st and December 19th. This routine will continue into the New Year 2020. I am happy to do this for our friends.

I also want to thank the Women of Faith for their commitment to attend a daily Mass with me and the residents in our nursing homes. Their voices and prayers mean a lot to the residents. God bless all of you and please follow my daily Mass schedule in the Sunday Bulletin.

PS: Remember to make your religion known when you happen to be admitted to UPMC Jameson Hospital!!
