Jesus said to them, “The children of this age marry and remarry; but those who are deemed worthy to attain the coming age and to the resurrection of the dead neither marry nor are given in marriage. They can no longer die, for they are like angels; and they are the children of God because they are the ones who will rise.” —Lk 20: 34-36

32nd Sunday in Ordinary Time
The Memorial Mass for Sr. Annie’s dad, Robert Bremmer, will be held on Saturday, Nov. 16, at 11:00 am. The site for this celebration will be St. Mary’s Church, New Castle, and there will be a reception in The Parish Center across the street immediately following the Mass. All are welcome to attend.

We are blessed to have so many in our community who have bravely served in our military over the years. On Monday, Veterans Day, we will continue to remember and honor them in a special service held at Saint Anthony Church tomorrow evening at 6:30 pm in Bessemer. This service has been held annually in their honor.

The Finance Council and Pastoral Council unanimously agreed, at our most recent meeting on October 29, that it is time to petition the Bishop to officially close St. Lawrence Church. The St. Lawrence Church building was rendered unusable when engineers examined the building and closed it for public safety. The beams no longer support the roof and there is a true danger that the roof could collapse at any moment. Salvaging the building would be an enormous financial hardship for the Parish and, with already 29 buildings to maintain, the Parish has no choice but to let go of St. Lawrence Church at this time. It has been over three years since any Mass has been celebrated in the building.

Deacon John and I have already met with county officials regarding tax assessment for the church because once we are no longer able to use a church for worship, it goes back on the tax rolls. However, due to the deplorable condition of the building, our tax liability is minimal. Our public safety liability, however, is a very serious concern. We have no choice but to act responsibly and lay to rest what was a building used for sacred worship.

What happens next? The bishop will receive our request and then make his own decision regarding rendering St. Lawrence Church no longer suitable for Catholic worship. And we will then remove all religious items from the structure and dispose of it according to church law.

It is always painful to say goodbye or to let go of something or someone we love. At times like this, we must be compassionate and understanding with each other and remember that everything in this life is temporary—even our own life—in this world. It is the next life that is eternal.

Everything that happened under the roof of St. Lawrence still lives on. All the sacraments that were celebrated and all the love and sacrifice that built the church lives on. We all must partake of the Pascal Mystery of the Dying and Rising of Christ. This is a kind of dying; but it is also a rising to new life. And we will continue to experience both until we, ourselves, die and rise in Him our Savior.

God love you,

In my column last week, I noted the income from these fundraisers is designated for St. Vitus School, Faith Formation, Youth Ministry and Social Ministries. Fr. Mac will review these four areas and based on their specific needs will allocate portions of the fundraising dollars to them. By designating the funds to these specific areas, we do NOT pay Parish Share Tax (17.6%) on them, these funds stay right here in our Parish.

Speaking of income, I would like to talk about our current offertory income. Each week we report where we stand in respect to our weekly offertory and Parish Share income. Some parishioners have expressed concern over the amount of money we are “behind” in offertory. First, I thank them for asking questions. This helps me to better understand what to elaborate in this column.

The income report we provide is based on our total actual income, versus our projected budget income; this is a number the diocese provides to us based on our last three years of contribution income. Included in this calculation are the envelopes for Christmas, Easter and other Holy Days of Obligation. We still have future holy days remaining to add to our Year to Date income. As an example, the envelopes for Christmas, Easter and other Holy Days are included in anticipated offerings. Some of them have not yet been collected, but will be in the future. Based on the generosity of the people of this good parish, we are confident we will be reporting a positive number in the future.

I would like to thank all of you for your generosity with the collection for The Military Archdiocese. You will see in today’s reporting we collected $6,262.50!!! What a wonderful way to say THANKS to all our sisters and brothers serving in uniform.

Blessings to you and yours.

God love you,

Deacon John
A time for thanks

We just celebrated the Solemnity of All Saints and the commemoration of all the faithful departed on All Souls Day. However, signs of Christmas began creeping in even before Halloween. Christmas music has been playing on the radio, the Hallmark Channel has begun their marathon of Christmas movies, and the push for pre-Black Friday deals and Christmas cyber sales are well under way. Before you know it, Christmas lights and decorations will be glowing at homes all over our parish area even before Santa Claus makes his appearance at the Macy’s Thanksgiving Day Parade.

Why do we rush Christmas? Is it for the purpose of sharing Christ with others? Are we even thinking of Jesus when we bake Christmas cookies and decorate our Christmas trees? Are we finding the joy of Christ in each of the holidays we celebrate? Let’s put Santa’s brakes on for a bit and focus on the next holiday. Even though Thanksgiving Day is not a great Feast of the Church, it is certainly a time to remember and celebrate all of the good things God has done for us.

Thanksgiving is an opportune time to evangelize our families and friends gathered around the dinner table. Here is a tradition you might like to begin this Thanksgiving. After you or one of your guests say the food blessing, ask each person, no matter how young or old, to share something for which they are grateful. Begin with yourself first so your guests feel comfortable in sharing. Thanksgiving is a time to remember that everyone goes through hard times and God is present with us through it all. We can always find something to be grateful for in every circumstance. It will be heart-warming and maybe even surprising to hear what your guests say. After you finish sharing, lift your glasses and toast Jesus for all He has done for you.

In their honor, a Veterans Day program is held at St. Anthony Church

This Monday, November 11, at 6:30 pm, there will be a Veteran’s Day Service at St. Anthony Church in Bessemer. There will be prayers, scripture readings, poems, some history and lots of great patriotic music! We will be singing favorites such as America the Beautiful, God of Our Fathers, a Tribute to the Armed Forces and of course, God Bless America.

God Bless America was written by Irving Berlin who also wrote such hits as White Christmas, Puttin’ on the Ritz and Blue Skies, but God Bless America remains one of his most beloved songs. At one point, it was considered to replace the Star Spangled Banner as our national anthem.

The son of a rabbi, Irving Berlin was born in 1888. At 4 years old, he immigrated with his family from Russia to New York. Falling in love with America, he served as a U.S. infantry sergeant in World War I. He wrote the patriotic hymn, God Bless America in 1917 and it was introduced to the public in 1938 when Kate Smith sang it on an Armistice Day radio broadcast. Irving Berlin gave all the royalties from the song, over $100,000. to the Boy Scouts and Girl Scouts.

Irving Berlin received many medals and honors. When President Eisenhower presented to him the Congressional Gold Medal, he commented to the President, “To me, God Bless America was not just a song, but an expression of my feeling toward the country to which I owe what I have and what I am.”

St. Vitus School:

MATH SPONSOR NEEDED

St. Vitus School is embarking on an in-depth strategic plan to improve Math Scores. We are modifying the schedule to allow for more instructional time and greater opportunity for intervention. We are focusing on teacher training and providing more opportunities for collaboration within as well as from outside sources.

One very important component to the plan is the purchase of a Digital Math Program.

DreamBox Learning Math is an adaptive, online K-8 math program designed to complement classroom instruction.

It assesses and meets students’ skills and abilities where they are and adapts instruction to students’ actions to meet them at the right level.

This supplemental program will help us close math gaps, promote student growth, and provide a deeper conceptual understanding. The game-like environment motivates students to persist, progress, and achieve success. This program will make math relevant for students resulting in better engagement.

A twelve month license for DreamBox Learning Math is $2,650. We are reaching out to the Holy Spirit Parishioners in search of a sponsor for this worthy cause. As our parish prayer says, “we treasure our children, and we ask for the courage to sacrifice, to love and to build in His Name.”

If you feel God calling you to support this program, expect He will give success to the work of your hands and keep you in His peace.

Will you share your Thanksgiving?

Thanksgiving is a time when we give thanks to our good and loving God for the blessings of family, food and friends! Yet, so many people will not have the means to celebrate a meal this year.

We, the people of Holy Spirit Parish, want to make a difference. Please consider providing a full meal for a family. Perhaps when you do shopping for your own meal, you could buy enough for another family.

Suggestions: Canned Yams, Stuffing Mix, Canned Gravy, Evaporated Milk, Pie Crust Mix, Pie Filling (Pumpkin or Fruit), Cranberry Sauce, Canned Vegetables and Fruit, Frozen 10 – 12 lb. Turkeys

These meals will go to the City Rescue Mission and St. Vincent De Paul Society.

Boxes/bags of the Thanksgiving meals may be dropped off at the St. Camillus site kitchen Wednesday, November 20th, from 6:30 pm to 7:30 pm; Saturday, November 23rd, from 3:00 pm to 4:00 pm (before Mass); and November 24th, from noon to 1:00 pm (after Mass). Please call Barb Strittmatter at 724-656-0942 if you will be dropping off donations. Thank you for your help.

Pies are Needed for the St. Vincent de Paul

Thanksgiving Dinner to be delivered to home bound individuals, individuals living alone, seniors, and disabled individuals in our parish and community. Pies, especially pumpkin and apple, can be brought to the Social Hall at St. Vincent de Paul site after 3:00 pm on Wednesday, November 23rd. They will be appreciated and any pies left over will be taken to the City Rescue Mission and The Crisis Shelter. Thank you!

High School Faith Formation Students bag Food Donations:
Jesus tells us that when we “feed the hunger,” we are in fact tending to his need. (Mt 25:35). Holy Spirit Parish has been “feeding the hungry” in a variety of ways. Many of you help with Produce to People on the second Saturday of each month which provides food to so many people here in New Castle. We also have our food pantry at St. Joseph the Worker that is open on the first and third Saturdays of the month.
We want to give a huge “shout out” to our children in Faith Formation who donated food items to support those who might not have a Thanksgiving meal as well as to support our food pantry.
Lots of food items were brought in along with donations for turkeys of $161.00. The High school teens put together 15 meals that were delivered to Catholic Charities and boxed the food for the food pantry. Catholic Charities will be giving these meals to those just over the poverty line. We are also supporting the City Rescue Mission who serve those below the poverty line with meals. A number of parishioners are putting together Thanksgiving meals, including frozen turkeys, that are being collected at St. Camillus church to be delivered to the City Rescue Mission.
Additionally, the St. Vincent De Paul society is making meals for those who are alone.
These meals will be made and delivered on Thanksgiving Day.
If you are interested in helping with meals, please feel free to contact Sr. Annie at 724-652-3422 x. 2205.
May the Spirit of God find a rich home in your heart this Thanksgiving Season.

Hello everyone. It doesn’t seem like a year has passed since my ministry to the sick began. I am proud to be the Parish Chaplain. Serving the needs of the sick and infirm and their families is such a blessing. The Nursing Homes, all twelve of them, as well as the UPMC Jameson Hospital, seem to be places that we never think of until we need them. The daily activities of healing and serving often go unnoticed or taken for granted. But the Church’s mission has always been attentive to our families, friends and the strangers based on the command of Jesus: “whenever you did this to the least of my brothers and sisters, you did it for me”.

I want to thank everyone who helped to make the Parish Semi-Annual Communal Celebration of the Anointing of the Sick such a prayerful and spiritual experience. Those who attended commented that they were touched by the Holy Spirit’s healing and they could feel Him in the church.
Thank you to my brother priests, Frs. Anthony and Brendan, to the Extra-Ordinary Ministers of the Holy Eucharist for greeting and seating our guests, to the Music Ministers, Sandy DeCarbo and our Parish Choir for helping us pray twice with song, and to Cindy Moore for being our Lector.

I want to share with you how important Pastoral Care of the Sick is to our Parish: During the month of October, all 293 Catholic Patients were Anointed bedside at UPMC Jameson Hospital, and every patient whose catholic affiliation was noted received a pastoral visit. If I should have missed someone, please forgive me since I had no way of knowing they were a patient if their religious affiliation was not asked and noted during their admission process. So, remember to make your religion known when you happen to be admitted to UPMC Jameson Hospital or the Nursing home!
God bless you, Fr. Molka
