OUR MISSION STATEMENT
Know Christ, Love Christ, Serve Christ and Invite others to Christ through Word, Sacrament and Sacrifice!
FR. MAC’S MESSAGE

Render unto Caesar what is Caesar’s

Given the bulletin deadlines, unfortunately, I can’t give you an update on what we are doing. The pastoral staff is meeting this Tuesday and the Finance and Pastoral Councils will be meeting Tuesday evening to discuss our plan for reopening the parish based on the Bishop’s directives. Unfortunately, because of the bulletin deadline, this has to be in on Tuesday and therefore the update will have to come via live streaming, our website, YouTube, Flocknote, and Facebook. As I dictate this bulletin message, I can tell you that the Bishop has issued a large document with directives regarding how we can proceed with getting back to celebrating the sacraments with all of you. We hope to be able to announce what church building will be available for you to access in order to provide private prayer. You will need to follow the guidelines posted on the doors of the church and also to sanitize the space where you have been praying before you leave. Many people who go to the gym realize that routine. You’re always to sanitize the equipment after you use it as a courtesy to those who will follow you. We hope to have a sanitation product available for you to use. But it will require that you sanitize your spot before you leave. We will have no idea in what part of the church you have been and that will be your responsibility to do that for the sake of the person following you. We thank you for your cooperation.

Jesus reminds us in the great commandment that we are to love God with all our mind, all our heart and all our strength and to love our neighbor as ourselves. If we understand these inconveniences in light of those two commandments, then we can go about all of this with joy and determination. I can’t imagine that it would be pleasing to God for us to spend time in his house or attending a Mass, if we are able, with a total disregard for the well-being of others around us. That certainly wouldn’t be a Christ-like attitude. So the effort that you and I make to protect others from getting any kind of infection from us is certainly an act of love and pleasing to God. There can be debates all day long on all sides of the issues. Wearing masks, not wearing masks, staying so far apart, doing this, doing that. Everyone has an opinion on what is effective and what is not effective. And everyone can, at times, feel hassled by all of it. But, remember when Jesus was challenged on whether to pay the temple tax or not, he did not say not to do it. He said give to Caesar what is Caesar’s and to God what belongs to God. The demands that places us in the light of this pandemic, we all have to live with out of respect for the government’s authority. Now if the government insists that we do something that is against our conscience, then we can rightfully say “NO.” And if we have the courage, we can defend our no to imprisonment or even death. In which case, we better be sure that we are correct in the eyes of God.

Rendering to God what belongs to God’s is even a bigger question. What is it that we owe to God? Is it not everything we have and are? Ultimately, it comes back to those two commandments—to love God and to love our neighbor. That is what we owe to God besides our very being! So, in the face of all of this, if we are able to spiritually understand the demands placed upon us in light of loving God and loving neighbor, then it makes it all far more bearable.

Please know that the pastoral plan which, tied together with our parish staff and Pastoral and Finance Councils, will probably be done in light of these two commandments and in obedience to the directives we have received from the Bishop. Whether we personally agree or disagree with some of the directives the Bishop issues doesn’t really matter. There is a higher value here at stake. We have to always balance our pride with humility and our pride with obedience. Together with the priests and deacons of the parish and the entire pastoral staff, we eagerly look forward to celebrating the sacraments with you in person as soon as possible. We thank you for your continued support of the parish by your prayers and sacrifices.

I am very grateful to all of you who have been supporting the parish and our food pantry. Your donations and your service have helped hundreds upon hundreds of families in our community over these last several weeks. We all know that this is certainly very pleasing to God! When we put our faith into action and serve our neighbor out of love and compassion, we cannot go wrong.

Let us all continue to do the good work of Christ in the corporal works of mercy. I know that most of you have not been able to receive the Eucharist under the form of the Lord’s body and blood, but that does not prevent ANY of us from living the Eucharist. Receiving our Lord in the blessed sacrament certainly feeds our hungry soul. But it cannot end with just the reception of the sacrament. Living the sacrament is what proves our faith and our love of God. While you have not been able to receive our Lord in the sacrament, you have not been denied the ability to LIVE the body and blood of Christ. None of us are ever denied the possibility of being Christ for one another. In fact, we are called to be Christ for one another always and everywhere. May we never lose sight of this truth.

God love you,

FR. MAC

J. M. J.  From the Desk of Deacon John:

Growing up I remember a tradition my Grandmother had of us going to the cemetery to plant flowers on the graves of our loved ones who had been called home to God. I can also remember Memorial Day being referred to as “Decoration Day” by older members of my family. On this Memorial Day weekend, we not only pause to remember our loved ones who have been called home to God, but also all those who in serving to protect our freedoms paid the ultimate price with their very lives. We also remember to keep in our prayers all who serve in uniform, may God continue to keep them in His Fatherly care.

We wish to acknowledge and thank everyone who continues to return their Parish Share Pledge Cards. Thus far we have collected just over 35% of our total assessment.

Please remember if you have not yet pledged, you still may do so. If you are not comfortable in making a pledge, and still wish to donate to parish share, you may do so at any time.

By the way, there is someone in our parish who is celebrating an anniversary this weekend. On May 23, 1987, some 33 years ago, a young Joseph McCaffrey was ordained to the Priesthood (and having been a classmate of his, I can tell he looks the same now as he did then). There is a memory of those seminary days that has stuck with me all these years. When Fr. Mac and I entered St. Paul Seminary in the fall of 1979, I remember he had written a letter to Bishop Fulton Sheen asking for some suggestions on discerning the call to the Priesthood. Fr. Mac did receive a written response from Bishop Sheen. There was one suggestion Bishop Sheen gave which that young seminarian took to heart. It was to spend one hour a day in the presence of the Blessed Sacrament; a practice Sheen himself did all his priesthood. Every evening one could find Joe McCaffrey, in chapel kneeling in front of the Tabernacle; and he continues to do so all these years later. The letter Fr. Mac received from Bishop Sheen is dated December 4, 1979, just 5 days prior to Bishop Sheen’s death on December 9, 1979. That letter now hangs in Fr. Mac’s office.

It is such a blessing for me how Divine Providence has placed Fr. Mac here to be our pastor. I would have never imagined all those years ago that he and I would be working together. Our parish is blest to have such a holy pastor as we do. God bless you on your anniversary Fr. Mac, and may the Lord grant you many more fruitful years of ministry. May our Blessed Mother continue to watch over you and keep you close to her Immaculate Heart.

God love you,
Deacon John

You probably never imagined you can find Catholic Shrines on Tripadvisor.com? It is really interesting to see the reviews visitors leave about their trips to the shrines. The **Immaculate Heart of Mary** parish on Polish Hill has received 5 out of 5 stars and Tripadvisor ranks it as #115 of #169 things to do in Pittsburgh. As an evangelist, I would rank this church in the top 10 places to go in our diocese to share a learning and spiritual experience with someone.

This historic landmark was founded as a Polish ethnic parish in 1897. In 1969, our first Polish Pope, St. John Paul II, then Cardinal Karol Wojtyla, visited the church. Forty five years later, Cardinal Stanislaw Dziwisz, Pope St. John Paul II’s former private secretary, presented a relic of the Holy Father’s blood stained cassock to the church. This is the cassock worn by Pope John Paul II in the assassination attempt on his life when he was in the Square at the Vatican. The relic is now displayed in the side altar dedicated to Divine Mercy. In 1979, the Immaculate Heart of Mary Parish became the first one in the United States to pray the Divine Mercy novena.

These are the specifications of the church as described by the parish website. “It is 200 feet long by 110 feet wide, and can seat 1800 souls. Eight altars, including seven side altars and a great 50 foot tall High Altar, as well as the pulpit, are carved from Spanish White Oak and edged in 23 karat gold. 53 stained glass windows from Austria shine divine light throughout the vast 43 foot tall space. The central dome measures 50 feet in diameter and 98 feet high on the inside, while on the exterior, it rises to 138 feet, culminating in a twelve foot high cross which blesses over the whole of the neighborhood.”

There is so much rich Catholic history and beauty at this site. Make the call and bring a friend. Evangelize!

**Music often fulfills a need.**

Sy Miller and Jill Jackson were a husband and wife songwriting team. In 1955, they wrote a song about their dream of peace for the world and how they believed each one of us could help create it.

In an interview on National Public Radio, Jill Jackson revealed that in 1944 she had attempted suicide, but didn’t succeed and she said that for the first time, she knew the unconditional love of God. She had an eternal moment of truth in which she knew that she was loved and had a purpose. This song, *Let There Be Peace on Earth*, that she wrote later with her husband has certainly become her legacy.

The song was first sung at a young people’s retreat in California. Sy Miller described the effect of the song at that retreat. This group of around 180 teenagers of all races and religions locked arms, formed a circle and sang this song of peace. The simple words (Let there be peace on earth and let it begin with me.) helped create a climate for peace and understanding.

This is Memorial Day weekend. We honor our beloved who have passed on and pray for them and in a special way, we honor our fallen service men and women. I think how wonderful it would be if there truly was peace on earth. If we all recognized God as our Father, we would realize that we are all brothers and sisters, children of God, one big family! With that as our perspective, how could we war with each other?

Let us pray for peace: peace in all hearts, peace in families, peace among believers, peace in our country and in the whole world.

Your Marian Shrines

Thank you for sharing! Be sure to look for more in next week’s bulletin!
Did you know? Did you know that Pentecost is the birthday of the Church because from that point on the apostles carried the message of Jesus to the world?

Pentecost, in Greek means fiftieth. It is the original name given the Jewish Feast of Weeks which fell 50 days after Passover and was the celebration of the first fruits of the grain harvest offered to the Lord. Christians celebrate Pentecost 50 days after the Resurrection, 10 days after the Ascension of the Lord.

What an amazing experience Pentecost must have been! Imagine, just 10 days prior the apostles were scared, frightened, locked in an upper room, praying for something that they did not understand. Then the sound of an incredible wind, fire appearing above those present, and a rush of the Holy Spirit fell upon them! Wow! Then Peter and the apostles are able to speak boldly to people from various language backgrounds regarding Jesus and all understand! The apostles went from timidity to courageous and audacious men. What about you and me? Do we have the audacity to proclaim Jesus boldly before others?

Next Sunday May 31st is Pentecost – let us ask for an outpouring of the Holy Spirit to enliven us to boldly follow and proclaim Jesus Christ.

And wear RED next weekend! We pray, “Let us bow down in humility at the power and grandeur of the Holy Spirit. Let us worship the Holy Trinity and give glory today to the Paraclete, our Advocate. Oh Holy Spirit, by Your power, Christ was raised from the dead to save us all. By Your grace, miracles are performed in Jesus’ name. By Your love, we are protected from evil. And so, we ask with humility and a beggar’s heart for Your gift of Joy and Peace within us. All of the saints are marked with an uncompromising Joy in times of trial, difficulty and pain. Give us, Oh Holy Spirit, the joy and peace that surpasses all understanding that we may live as a witness to Your love and fidelity! Amen.”

BEREAVEMENT IN CHALLENGING TIMES

You may have noticed that within the Diocese of Pittsburgh, Funerals were first suspended, and now, in exceptional circumstances, are only permitted with a strict limit of participants, including the priest or deacon.

We want to be attentive to parishioners’ needs during this time when so much is not normal. There is a weekly Memorial Mass for those who have passed in the previous week. (See Page 4 for names.) You may have seen that our website www.hsplc.org contains the obituaries of those from the parish who have died.

Please be sure to notify us even if there is no funeral service so we can add them to the rolls of deceased.

Our prayers are with you and for you at this challenging time.

JOURNEYING THROUGH GRIEF

We, as a parish, have over 200 families who are receiving the four booklets in the Journeying Through Grief series published by Stephen Ministries.

We always need more volunteers. If you would like to serve in this important ministry contact Mary Ann Isaac at misaac@hsplc.org or 724-971-8539.
We are truly blessed to have such wonderful programs in our parish to help those in need. With the outbreak of COVID-19, we extended the hours and frequency of our already existing Food Pantry at the St. Joseph the Worker site. Over the past 8 weeks, the number of people coming for help has increased.

On average for the last three weeks, we have given out 100 boxes of food. Your generosity with financial donations, donations of food and the help of so many people are what has made this possible. I am so humbled! Financially we have received nearly $9,500 and I would imagine close to that in food donations.

Recently I was able to connect with Monteverde’s Produce. They received a grant through the USDA to help provide produce to those in need. We are now part of their program and will be receiving boxes containing 30 lbs. of produce for the next six weeks.

This is an incredible blessing. You may not know that the Greater Pittsburgh Food bank has not been coming to New Castle since the outbreak of COVID-19. Therefore, we have not been able to have Produce to People as normally scheduled the second Saturday of each month. Our Produce to People normally serves over 400 families each month. Now, because of this new relationship, we will be able to give fresh produce besides the food that we presently give out.

In our parish Outreach Meetings we once imagined, “Wouldn’t it be wonderful if we could stop hunger in Lawrence County?” I don’t know if that will ever happen, but I know that we are certainly trying to help “feed the hungry.” I am proud that we, along with so many other organizations, are helping to fill the gap. Perhaps—one day in the near future—there truly will be no hunger in Lawrence County.

—Sr. Annie

THE FOOD PANTRY AT THE ST. JOSEPH THE WORKER SITE IS OPEN EVERY SATURDAY FROM 10:00 AM TO 1:00 PM

HOLY SPIRIT PARISH IS COLLECTING CANNED GOODS AND DRY GOODS TO HELP THOSE WHO NEED FOOD DURING THIS DESPERATE TIME. Boxes are in the entrance ways to the offices at St. James and St. Vitus. Please leave the food products there. We will distribute them. Thank you so much for your generosity!
Gov. Wolf and the PA Department of Education are looking to take most of the funding that Congress wants distributed equitably in COVID-19 relief to ALL schools in PA and across the country.

Pennsylvania received $471 million in funding from Washington. But PCC Education Director Sean McAleer says “the Pennsylvania Department of Education (PDE) created its own set of rules to distribute that money that blatantly ignores federal guidance. The end result significantly lowers the amounts to be given to Catholic and nonpublic school students.”

McAleer broke down the disparity this way: “the Wolf Administration is calling for roughly $19 million to go to Catholic and nonpublic schools students, while Washington is calling for $66 million. The Wolf administration is misappropriating some $47 million in federal funds and harming families who have chosen to send their children to Catholic and nonpublic schools.”

"Catholic and nonpublic school students matter," said McAleer. "We are asking Mr. Wolf and Education Secretary Pedro Rivera to please follow the federal guidelines! In a time when thousands of Pennsylvania’s children and families are suffering and struggling to make ends meet, the administration has chosen to cause further harm by refusing to allocate money as directed by the federal government."
