**A blessed 4th of July weekend to all of you.** We certainly give thanks to God for our nation and we know this is a time we need to pray even more fervently for the future and well-being of our country. This country which was established on Judeo-Christian values has fallen far from that foundation. We are reaping the fruits of such a departure. Our return to those Judeo-Christian values is imperative now more than ever! Please join me in praying for our return to God and our return to religious freedom, a return to family-values and a respect for human life at all levels and among all people.

This is not a time to despair, but a time to be even more committed than ever to our God and to our country. God gives us an example in all the storms that occur. Once the storms pass, there is usually beautiful weather. **We are in a time of storm.** There is pruning and letting go of that which hinders life—prejudice, injustice, false accusation, hostilities, selfishness and self-centeredness! In a word, sin! It’s painful to recognize these evils and rid ourselves of them. But, in the aftermath, there is true grace, peace, strength and prosperity!

We can all weather this storm by keeping our eyes and our focus on our Savior. Just as Peter was able to walk on the sea during the storm as he kept his eyes on the Lord, so we can. The danger is, almost daily, Americans focus their attention on the storm. They’re doomed to sink and drown in the sea of violence and sin. Let us not be among them. Let us help our brothers and sisters by reaching out to them. Let us throw the lifesaver to those floundering in the sea of self-made misery. The lifesaver is Jesus Christ.

**On this holiday weekend, may we fully recommit ourselves to God and one another.** May we rededicate our country to the Immaculate Heart of Mary and the Sacred Heart of Jesus!

---

**A PRAYER FOR OUR NATION**

_O VIRGIN OF GUADALUPE, your appearance in Mexico changed the course of human history. Human sacrifice ceased and millions were converted to Jesus Christ. Pray for our nation now._

Guide our elections through your gracious intercession. Change hearts and minds to uphold the dignity of all human life. Stem the tide of moral degeneration and defend the sanctity of marriage. Protect our nation from terrorism, war and natural disaster. May Goodness triumph over evil. May candidates committed to God’s truth be elected and re-elected and may our nation prosper, through Jesus Christ, Our Lord. Amen.

God love you,

FR. MAC

Happy Independence Day!

Hopefully you and your families can spend some time together on this long holiday weekend. Please be careful in setting off those fireworks!

This week’s financial page was unable to be updated as our bulletin printer needed to advance the publishing dates due to the July 4th Holiday. The financial report in next week’s bulletin will include up to date information.

Over the past couple of months as things have begun to re-open the Dept. of Health and Human Services, along with the Center for Disease Control have provided specific guidelines on how we are to sanitize and keep clean our offices and buildings. One of the directives was to establish a COVID-19 Safety Team who would oversee and ensure that all suggested guidelines and sanitizing practices were being followed. Both our parish and school have established these Safety Teams. Fr. Brendan is chairing the Safety Team for the parish. The members of the teams include medical professionals. We are grateful for their expertise in assisting us with the task of keeping up with all the COVID-19 guidelines.

One of the important items under these guidelines is the constant cleaning and sanitizing of space once it has been used. Each time the church is used our maintenance staff must go in and sanitize all areas. Additionally, all individuals who come in for meetings or liturgical services are required to sign-in. We must be able to contact them should the need arise regarding a confirmed case of the virus.

Recently we have received requests for the renting out of our facilities. After consultation with our COVID-19 Safety Teams it was decided that for the time being we will not be renting out ANY space for ANY events. The primary reason being that under the present guidelines, we are restricted to the number of individuals that can gather at one time in any of our buildings. Additionally, there is the expense of constant sanitizing of spaces before and after each use. Just to give you an example of how expensive the products are becoming, we recently paid $50.00 for one gallon of hand sanitizer! Required cleaning products are presently hard to come by, and they are even more expensive.

Unfortunately, we are still not able to use our church buildings for weekend Masses due to the limited number of people we are permitted to have for one Mass: presently 25% of the total seating capacity of that church, to allow for social distancing. We truly are blest in having outdoor Mass at the Sears parking lot each week. Thanks to the army of volunteers who work so hard in helping to have the outdoor Mass.

Wishing you a blessed week.
God love you,
Deacon John

SUMMERTIME!

We are officially into the summer months. We can’t hold Vacation Bible School because of the Coronavirus so we must do our best with what we have at home to evangelize our children. These at-home efforts do not have to be “study-like” and “boring”. FORMED.org offers several movies for parents and guardians to show to their children that are entertaining and have a sound Catholic foundation. For pre-school children up to the junior high level, the animated adventure series, “Lukas Storyteller” is a video series that shares the lives of the saints who have gone before us. Your child will see how each saint was common and ordinary just like them, but also, how they were different and holy because they listened to God and let God lead their lives. “Lukas Storyteller” reveals how we can learn from them. Some of the themes covered are: learning life’s lessons, asking God for help, the power of a clean soul, obedience, how to pray, and the unconditional love of grandparents.

Understanding the attention span of children in that age group and knowing parents and guardians like to monitor the length of time their children sit before an electronic device, each video in this series has been created to be less than 13 minutes long. The Christmas movie is just a little over 24 minutes. Season 1 is now available.

If you haven’t signed up for FORMED yet, you can still do so. FORMED.org is a free service for you to enjoy.

2019-20 RCIA Program

THE 2019-20 year for our RCIA Team, Candidates, and Catechumens has been informative, educational, faith-filled, prayerful, and supportive.

This past March, the world was hit with the devastating COVID-19 pandemic. We had to adjust and sacrifice many things. Jobs were lost and places of work changed. Stores, businesses, and churches closed, depression and illness set in, and sadly many lives were taken.

The RCIA process came to a halt for Candidates, Catechumens, Sponsors, and Team members in March. We were unable to celebrate the Rite of Election with Bishop Zubik at Saint Paul Cathedral. We were not able to be received into the church at the Easter Vigil.

One thing that was NOT lost was our FAITH IN GOD. Through all the sacrifice, pain, and suffering of every kind, each of the Candidates, Catechumen and their Sponsors persevered and continued to pray and wait as the Lord made a way for them to enter the church.

Their faithfulness, belief, and strength in the knowledge that the beautiful gifts of the Sacraments and our Catholic Faith are treasures kept them focused and waiting.

This June we were able welcome and receive all of them into the church.

May God Bless them always.

Please congratulate and welcome them yourself when you see them.

If you know of anyone who is interested in becoming Catholic or who has not received all of their sacraments, please call the parish office and ask to speak with Fr. Brendan Dawson.

Did you know that Confirmation is a completion of Baptism?

As the third sacrament of initiation, Confirmation strengthens the graces of the Holy Spirit first given at Baptism. Confirmation dates back to the Acts of the Apostles, where the apostles laid hands on others filling them with the Holy Spirit, giving each of us the courage to take on the mission... the Mission from God! (That one was for you Blues Brothers fans.) It is the mission that each of us is called to from baptism as we are made priest, prophet and king to spread the Gospel message, love each other and bring others to Christ. It is the mission that we are given at the end of every Mass to “go forth and spread the good news”.

In Confirmation we are sealed with the spirit and we confirm our Catholic faith and our willingness to live and defend that faith. This is not a sacrament that is taken lightly (as no sacrament should be). When this sacrament is received by anyone over the age of reason, it is the individual making the decision to receive the sacrament and accepting the responsibilities of the sacrament. In some areas the sacrament is conferred at the same time as baptism which in most instances is an infant baptism. When conferred on an infant, it is the parents who make the decision and accept the responsibilities of the sacraments.

During Confirmation, we receive God’s grace; we need that grace to live a Christ-like life. Perhaps you have not thought about the sacrament since you received it. If that is the case, take some time to reflect on your call to mission. You have been called by God; fulfill the will of our heavenly Father and spread the grace that you have been given.
