22nd SUNDAY IN ORDINARY TIME

“Whoever wishes to come after me must deny himself, take up his cross, and follow me. For whoever wishes to save his life will lose it, but whoever loses his life for my sake will find it.” - Mt 16:24b-25

Our Mission Statement

Know Christ, Love Christ, Serve Christ and Invite others to Christ through Word, Sacrament and Sacrifice!
On September 12th, we will have our first weekend liturgy at 4:00 pm in both the St. Vitus and St. Camillus worship sites. There has been a lot of preparation for this and we ask for your help and patience.

**Attendance**

We have no idea how many people will want to enter back into the churches so we will continue to have our Masses at the Sears parking lot on Sundays at 9:00 am and 11:00 am.

There is limited seating in the churches. We are able to accommodate 25% of the church capacity with, if necessary, overflow into the gyms. That means we may have 170 in St. Vitus with an additional 50 in the gym and 120 in St. Camillus with 90 in the gym. If we meet capacity, we may have to ask parishioners to attend Mass at the parking lot on Sunday morning. This is not an easy decision and it pains us to have to do this, but due to regulations and social distancing, we have limited space.

You will need to wear a mask and sign-in. We will have the collection baskets at the entrance ways, as we do at the parking lot.

**Seating in the Church**

The pews will have 6 ft. markings. Please move in to the center marking so that we can get as many people in the pew as permitted. Family members do not have to separate by 6 ft.; it is a 6 ft. separation between family/individual groupings.

When the church is full, overflow into the gym will then open. Please do not go to the gym until the ushers open that space.

**Communion**

At communion time, there will be ushers in the churches to invite people forward to receive the Blessed Sacrament while maintaining 6 ft. distancing. In the gyms, the Eucharistic Minister will come to each person.

**Dismissal**

After Mass, each pew will be dismissed as they are at a wedding.

We ask again that you please comply with these practices so that we can assure all that we are practicing appropriate safety measures. If you cannot abide by these regulations, we recommend that you continue to go to the parking lot Masses.

God love you,
AUGUST 30, 2020

AUGUST 30, 2020

Over the last couple of weeks Fr. Mac has been explaining the plan to move back in to church for the weekend Masses.

On Saturday September 12, 2020 we will celebrate 4:00 pm Mass in both St. Vitus church and St. Camillus church.

There has been a great deal of work behind the scenes in order to prepare for this. There have been special training sessions for Ushers and Extraordinary Ministers of Holy Communion covering the changes required by COVID-19.

We are now using only those cleaning products proven to kill viruses such as COVID-19.

In addition, the maintenance staff has been busy cleaning the church buildings. We began this process in early April and have continued to maintain the church buildings in order to be ready for the time when we could have weekend liturgies in our churches once again.

With St. Vitus already being used for daily Mass, regular cleaning and sanitizing is done after each use in order to protect against the COVID-19 virus. Recently the carpets were cleaned at St. Camillus, and we will be doing the same at St. Joseph, St. Vincent de Paul and St. James. The other church floors have no carpeting. All seating areas, sanctuaries and sacristies have also been cleaned.

We are grateful for the continued financial support of our school. This past week we received an additional $9,494.00 in donations for the school.

Our total received, including the matching funds, now stands at $278,374.00!!

Wishing you a great week! God love you!

Deacon John

**Pope Francis Evangelization Icebreakers**

Striking up conversations can be difficult, especially if you are an introvert. The next time you are trying to find something interesting to talk about with someone, instead of talking about the weather, or who is running for political office, why not try some Pope Francis ice breakers? This can be a way to evangelize while opening up a conversation.

Here are some fun facts about Pope Francis for you to try.

1. Pope Francis’s birth name is Jorge Mario Bergoglio. He is the first Argentinian Pope, and also, the first Jesuit Pope.
2. He became the 266th pope on March 13, 2013. Pope Francis chose his papal title from the beloved Saint Francis of Assisi of Italy.
3. His parents are Italian immigrants and his grandfather was an Italian winemaker. Pope Francis is a wine lover and has wine every day with his meals.
4. Pope Francis has not watched tv since 1990. He loves soccer but doesn’t watch it on tv, he relies on one of his Swiss Guards to give him the details of the game. He also doesn’t surf the web and only reads one newspaper. Even his twitter account, @Pontifex, is written by Vatican officials.
5. Pope Francis was a bouncer—at a nightclub. Can you believe it? When he was a student in Buenos Aires, he worked as a doorman at a nightclub.
6. He only has one lung. His other lung was removed due to infection when he was a teenager.
7. He speaks Latin, Spanish, and Italian fluently, but he also understands Ukrainian, Portuguese, German, and English.
8. It has been a tradition for Popes to wear red shoes. He prefers to wear traditional black shoes. Often, he looks at the shoes of his priests, bishops, and cardinals to see how worn they are. If they do not look worn, Pope Francis tells them they are not working hard enough.

**Psalm 63:**

**“My Soul Is Thirsting for You, O Lord”**

I know I wrote about one of the psalms last week, but #63 really is one of my favorites. It was written by David when he was in the wilderness of Judah.

I imagine that alone in the wilderness, David must have reflected a great deal, on his life, his future, his needs and wants and especially on his God!

“O God, you are my God; at dawn I seek you; for you my soul is thirsting. For you my flesh is pining, like a dry, weary land without water.

Do you know what it is to thirst? Alone in a strange land, I suppose David would have had to search for food and water and God, of course, provided for him. **But there is a thirst beyond the physical needs of our bodies.** Many people are terribly unhappy and they really don’t know why. Even if they have all of their needs met (a good job, a loving family, respect of their peers, fame, fortune), there is still an anxiety, a gnawing in the pit of their stomachs that food, water, possessions or relationships cannot quench.

David turns to God. **“I come before you in the sanctuary, to behold your strength and your glory.”** And later, **“My soul shall be filled as with a banquet.”**

It is only God who can fill our souls. If we would only recognize that, how much happier and at ease our lives would be. **“For you have been my strength; in the shadow of your wings I rejoice. My soul clings fast to you; your right hand upholds me.”**

Cling to God! He will be your strength, just as He was for David

I am pleased to say that both Confirmation Retreats on the 15th and the 21st were a success and that our Confirmation Class of Fall 2020 has completed the last step of preparation before their Confirmation.

I would like to thank all the men and women who volunteered their time, effort, and resources to make the retreat possible for our Confirmands.

Holy Spirit Women of Faith made blankets for each of the students. Numerous people helped in making food, serving, and setting places for the meals. A number of adults led small groups and helped run the retreat logistically. Without these fine folks and their willingness to devote their time, energy, and effort the retreat would not have been possible!

We will have 5 Confirmation Celebrations to accommodate the current class, from August 29th to September 9th. These Masses are open to confirmands, sponsors, and family ONLY, but if you would like to join in prayer for our confirmands as they prepare and participate in the sacrament, that would be much appreciated as a sign of solidarity and support from the parish.

If you have any questions about the Confirmation Mass times or your registration for those Masses, please contact the office of Faith Formation.

I remember the day of my Confirmation many years ago, and how my sponsor talked to me before the sacrament. My sponsor was a man that I had known for most of my life. He was my first boss and a family friend. He truly is an example of what it means to be Catholic in both word and action every day.

I remember he said to me before the celebration that in his faith tradition (northern Italian) Confirmation was the most important sacrament an individual could receive. It marked the beginning of a young man or woman’s journey of faith in which they are truly tested, refined, and molded by the hand of God into the person they were called to be from the beginning.

As an eighth grade student, I had no idea at the time how this would come to influence my understanding of my relationship with God and the Church long after the celebrations of the day were over.

Confirmation is not an instantaneous physical change that is completed by the time we walk out of the Church. It is a journey to the Kingdom, a spiritual change that takes all of one’s physical life to come to its fullest fruition. As our confirmands near this truly transformative day in their spiritual journey, I would challenge members of our parish to reflect on their own confirmation and how it has impacted their lives in the years that have followed.

I would challenge our confirmands and younger children to reflect on how they want to allow the spirit to move through them on both the day of their confirmation and the years that follow. The ways in which we open ourselves to the movement of the Spirit will undoubtedly have lasting impacts on not only our own faith lives but all the people we walk with on this journey to the Kingdom. Peace.

—T.J. Belsterling, Director of Middle School Faith Formation

Did you know that there have been several Eucharistic miracles in the world?

One of the most famous took place in Lanciano, Italy, where a monk was struggling with believing that the bread and wine actually became Jesus. As this monk was offering Mass, when he pronounced the words of consecration the monk saw the bread turn into Flesh and wine into Blood. Of course, the monk no longer doubted the real presence of God in the Eucharist. This Flesh and Blood was preserved, tested and the bread was found to be real human flesh and the blood is type AB, the same blood type found on the Shroud of Turin. The Catholic Church claims that this miracle is authentic.

You may like to read about some of the other places where Eucharistic Miracles have happened: Bolsena, Italy; Siena, Italy; Legnica, Poland; Betania, Venezuela; and Buenos Aires, Argentina.

Did you ever have a time when you doubted that the Eucharist is the true body and blood of our Lord? Reflecting on these miracles helps us realize that this is the same Jesus who performed miracles during the first century in Palestine. Isn't it amazing how our Lord continues to reveal Himself to us through miracles!

HOLY SPIRIT ACADEMY: MATCHING DONATIONS
STITCHING ANGELS MINISTRY UPDATE

Due to the COVID-19 pandemic, the Stitching Angels have not met since March; however, we have not been idle. We sewed over 100 face masks for Home Helpers Home Care, Inc., Friends of Hospice and Hope Place Women’s Rescue Mission. At the request of UPMC Hillman Cancer Center’s staff, we crocheted comfort bands to attach to their face masks to relieve the pressure on their ears. We gave 17 crocheted prayer shawls to Eastbrook Mission Barn to present to their handicapped clients upon completion of the ramps they build for them. We provided a dozen Baptismal bibs to our parish and also donated baby blankets, infant hats, an infant sweater and some burp cloths to the recent baby shower held at our parish, St. Camillus site, to benefit Alpha Omega and Catholic Charities.

Many of our members have continued to work on projects at home, dropping off finished items and picking up supplies as needed. We have a stockpile of blankets, hats and scarves for children and adults, as well as chemo pillows, chemo port pillows, rice packs, walker totes and lap blankets to donate as soon as the agencies we serve are able to accept our donations.

New members are always welcome as are donations of yarn and fabric.

22ND SUNDAY IN ORDINARY TIME

COVID-19 SAFETY

Gratitude
As I reflect on the past several months, I often get a feeling of negativity and darkness. I find myself getting caught up in the 24/7 news and all the things happening around me. I need to share a story with you that happened at the 9:00 am Mass last Sunday. As I was greeting people going into the parking lot, it started to gently sprinkle, and we were getting worried about a rain problem. A car pulled up, put down the window and offered me an umbrella. This young woman was thinking about me and it really touched me. First, thank you to that Angel who cared about others.

It made me reflect on what am I truly grateful for in this world. I have done this many times over the past 15 plus years due to death and sickness. We all need to ask what we are grateful for and document that in a gratitude journal so that when a bad day comes, we can look back and bring our spirits up.

I am grateful for my family, friends, and my church. Holy Spirit Parish has shown such resolve and positivity in these uncertain times. That parish is you and I and I am so grateful for all of us.

What are you grateful for today?

Word of the Week: Grateful

The Bread of Life

As a child, Donna Malinak remembers her grandmother and friends baking Easter bread for the church—a small gesture of, say, 50 loaves.

Then, in the true spirit of Jesus, the opportunities to offer more of this bread to others multiplied.

That’s why, today, Donna continues to be part of a tradition that serves as a beautiful parish ministry.

The tradition dates back generations to St. Lawrence Parish in Hillsville. While today’s recipe did not belong to Donna’s grandmother, it is very similar, like many recipes that get passed down over the ages.

“This goes back to women who would be over 100 years old by now,” Donna said.

Earlier this month, Donna, along with Norma Kukich, led a team of parishioners to bake Easter bread for the August fundraiser. They began with a prayer and the Peace Corps motto: This is the toughest job you’ll ever love.

“It’s not easy to bake Easter bread—it’s a lot of work, it’s tiring, but we love it,” Donna said. “It’s a nice group of men and women who are involved in it.”

With its recent closure, the ovens from St. Lawrence were moved to St. Camillus and recalibrated. It was a big transition, which led to a few “dry runs” beforehand.

“It’s a process,” Donna said. “You have to be so careful with the ovens. Is it too light, too dark? They get temperamental sometimes.”

While it was Debbie Show’s first time participating, her family is very much part of the bread’s history. Women in her family hail from Hillsville, and she believes the recipe belonged to her great-aunt, with input from others. So, Debbie has always eaten the bread and wanted to get involved.

“It was nice to meet some of the ladies and we had so much fun,” Debbie said. “It was exhausting, but fun. Everybody worked very well together.”

Mary Ann Thomas was also part of the effort and appreciated the chance to work with friend, Donna, in the kitchen.

“I think it’s a great way to meet people, and you’re serving the church,” Mary Ann said. “I would recommend anybody to go out for it, if things like this come up in the future.”

In the end, the bread was a success—not just in the loaves sold, but in the camaraderie.

“It brings a lot of people together and it’s bringing the whole parish together,” Donna said. “We’re all involved. We make a product people enjoy. It’s a win-win situation.”

Lift High the Cross
Lift high the cross, the love of Christ proclaim 'Til all the world adore His sacred name.

Come Christians, follow where the Master trod. Our King, victorious! Christ, the Son of God.

Psalm Response:
My soul is thirsting for you O Lord, thirsting for you my God.
My soul is thirsting for you O Lord, thirsting for you my God.
My soul is thirsting for you O Lord, thirsting for you my God. (Ps 63)

Our Parish Prayer
Lord Jesus, you told us, “Where your treasure is, there your heart is also!” The parish of Holy Spirit treasures our faith in You, our children, and every person who gathers here. Help us to have the courage to sacrifice, to love, and to build in Your name. Guide us by Your Spirit of Wisdom, give success to the work of our hands, and keep us in your peace. Saints, Martyrs, and Mary, our Mother, pray for us.

Amen

Draw Near
Draw near, draw near! Take the Body of your Lord Draw near, draw near! Drink the Blood for you outpoured.

You Satisfy the Hungry Heart
You satisfy the hungry heart, with gift of finest wheat. Come give to us, O saving Lord, the bread of life to eat.

How Great Thou Art
O Lord my God, when I in awesome wonder consider all the works thy hands have made, I see the stars, I hear the rolling thunder, Thy power throughout the universe displayed!

Then sings my soul, my Savior God, to thee: How great thou art, how great thou art! Then sings my soul, my Savior God, to thee: How great thou art, how great thou art!

Take Up Your Cross
If you lose your life for my sake, you will find it. If you want to save your life, let it go Take up your cross, deny yourself Come, follow me, follow me.
