

Sunday October 13th

Praying the Rosary for Our Nation

The Feast of Our Lady of the Rosary is in honor of a 16th Century naval victory where Pope Pius V invoked a campaign to pray the Rosary throughout Europe on October 7, 1571. The Pope attributed the victory at Lepanto to the intercession of the Blessed Virgin Mary.

Respect Life Month - the rights of the unborn, elderly and weak in our society are undermined, the attacks on marriage & family values, and the promotion of euthanasia and assisted suicide necessitates prayer. It is a spiritual warfare against the dignity of the human person, made in the image and likeness of God.

Rosary Coast to Coast - We are being called to help turn our country back towards God. Through prayer we can change hearts, change families, change our communities and change our country. Americans across the Country are invited to pray the Rosary joining with our International brothers and sisters to pray for our respective nations.
