

PRAYER TO ST. ROCH

*O blessed, St. Roch, you have cared with great generosity and charity for the sick affected by the plague. By the sign of the cross +, God has granted you many times to heal the afflicted who were considered lost. With great confidence, we ask you to intercede before the Lord, and in accord with His will, to obtain from Him the improvement and healing needed by those affected with serious illnesses. Save us from epidemics. Help us in all diseases of the body but especially in those of the soul. **Amen.***
