

## **FINANCES AND FUNDRAISING 2021-2022**

Tuition and fees are determined annually based upon the projected budget and enrollment for the following year. Following is a list and accompanying explanation for each part of a family's financial commitment. **Other fees may be applied (all fees are subject to change)**

**Enrollment fees (non-refundable)**                      **\$350 per student (new families)**  
   **\$250 per student (current families)**  
   **\$350 per student (new families & current  
   families after Priority Enrollment period)**

**Tuition - \$6,000.00 – 3 & 4 year old program**

**Tuition - \$5,700.00 – Kindergarten through 6<sup>th</sup> grade**

Tuition is normally increased the same percentage as the increase in teacher salaries. The amount of increase is intentionally kept to as small amount as possible.

**Parish Contribution - \$500 per student (Included in Tuition)**

Eight parishes contribute to the support of the school and will include their parishioners in the contribution if they are active members of the parish and contribute according to their means. If a pastor determines that the family does qualify for the subsidy, up to \$500 per student will be credited to your FACTS account.

**Family Fundraising Fee - \$1200 per family**

This amount is a predetermined amount that each family is asked to generate through the school sponsored raffle sweepstakes approved for that purpose. The Fundraising Fee requirement of \$1200 is added to each family's FACTS account at the beginning of your financial contract. Each family will receive (12) \$100 raffle tickets. When tickets are sold and collected funds are returned to the Finance Office, a credit will be applied to your family's FACTS account. This credit is not to exceed \$1200.

Other ways of contributing to the school that deviate from the above stated guidelines must be requested in writing to the school finance committee prior to the third Wednesday of the month to count towards this fee.

A family may choose not to participate in this fund-raising activity and pay the fee of \$1200 directly to the school through their FACTS tuition transfer.

**Supply Fee: \$50.00 per student (Included in Tuition)** - Covers copy paper, paper towels, tissue, etc.
