I, Deacon Ed Sheffer, request that you allow your child to participate in STAP Life Teen, where we will be utilizing Zoom, Flocknote and Live Stream.

These technology platforms will allow us to minister to your child. These technology platforms will be used only to provide information related to our St. Thomas the Apostle Youth Group such as group meetings, reminders, event information and other updates. As a parent/guardian of a member of Life Teen, you will receive the same communication provided to your child. If a virtual meeting will happen, you will be notified in advance when the meeting will occur.

I, \_\_\_\_\_ (parent/guardian) give permission for my child to participate on the technology platforms set forth by St. Thomas the Apostles Director of Youth Ministry.

By signing below, I agree - as the parent/guardian - that my child will use the technology platforms appropriately. I understand that any inappropriate use of the technology platforms will result in his/her removal from the group and loss of access to these platforms.
