2021 – 2022 CALENDAR

To be determined

HOW CAN YOU HELP?

Though our program is for teens, we still need the support of the entire parish community!

- If a group you are involved with wants to **incorporate social justice** and partner with youth, send us an email! We'd love to work something out with you!
- If you're interested in **joining our planning team**, let us know! We always welcome people passionate about leading teens to Christ by serving others as the hands and feet of Christ in the world.
- If you have a **suggestion** for a theme, an action item or a service partner, send us an eMail! We love suggestions and making new connections!
- Last, but certainly not least, we need your **prayers**. Please pray monthly for all those affected by or related to the theme we are discussing.
