

What is the Second Spring Campaign? It is different from your weekly offertory contribution. The offertory keeps things going: it keeps the church warm in the winter, it pays staff salaries, it keeps normal day-to-day operations going. (To track how we are doing weekly, check the “Stewardship of Treasure” block in this bulletin.)

The Second Spring Campaign started as an effort to retire the debt on our new construction, completed in 2019, that totaled \$7.045M. Through your amazing generosity we have already paid it off in full. This has enabled to start the process for Phase 2 of our Campus Building Plan. Phase 2 will consist of the building of a new Early Childhood Center to house the School’s Pre-K 3 and 4 year old programs, a construction of a newer, expanded and modernized kitchen and Cafeteria that will double as another large meeting space for use by the Parish, and creation of Outdoor Learning Spaces for use by the school and various Faith Formation groups. Please help in any way you can. Pledge cards will be mailed to you or will be available at the Pastoral Center Offices.
