Click the dropdown on the google site calendar and you'll see some choices. Select the view you'd like to print.

Hit the gear and then print.

Add the Council Calendar to your personal google calendar.

You need to use the ical setting (not the url)

<https://calendar.google.com/calendar/ical/council6878%40gmail.com/public/basic.ics>

This should be the correct setting above...once you open your calendar, it should walk you through it.
