

FOCUS:

Be doers of the word and not hearers only.

We are called to be doers of the word, not hearers only. The statutes of God are provided for our benefit; they guide us in the ways of living with and loving one another. All good giving and every perfect gift is from above, and pure-hearted persons return that love in caring for the weakest and most vulnerable among them.

CATHOLIC UNIVERSITY COLLECTON – Next weekend, the diocese will take up the Nation Collection for The Catholic University of America. Catholic University is a national research university with over 5,700 undergraduate and graduate students in more than 250 academic programs in the heart of Washington, D. C. By giving to the collection, you are supporting both future Catholic leaders, religious and lay, who are being formed by and exceptional, Faith-rooted education and the University's various research and training initiatives that support dioceses and parishes in responding to the most pressing needs of their faithful. The Catholic Project – an initiative that aims to heal the breach of trust many have experienced as a result of the current crisis in the Church, an online Child Protection Certification Program, a Master's program in Ecclesial Administration and Management, and a credentialing program that prepares recent graduates to serve as campus ministers are a few examples how the University is serving the Church and nation.

*Eternal Rest Grant unto them,
Oh Lord, and let the perpetual light
shine upon them!*
