GO DUKES, BEGIN WITH GOD

The reach of this ministry extends far beyond our little house at 1052 South Main Street as we send our students to the world after an incredible year of ministry. Sarah is serving at a Catholic summer camp in Ohio, Louis is leading a summer FOCUS project in Colorado, Riley is on his way to serve on a mission trip in India, and Tyler is headed to discern with the Capuchin Franciscan Order in Colorado Springs! It is incredible to witness the way the Lord is working in the hearts of our students, and how they take the faith they are building upon at CCM and bring it to the world.

Mission

Catholic Campus Ministry at James Madison University is a welcoming community grounded in the celebration of the Eucharist. Transformed by the Real Presence of Jesus, we strive to evangelize the campus and the world around us through:

- ◆ Prayer and worship,
- ◆ Social justice,
- ◆ Faith formation, and
- ◆ Fellowship

2018-2019 ministry highlights

- We held All-Night Adoration once each month
- 80 participants at our Fall Retreat!
- Riley, Dean, and Reagan were brought fully into the Church at Easter
- 28 Small Group Bible Studies regularly meeting
- Our intern, Joan, joined our staff
- Father Peter celebrated 30 years of priesthood!
- HUNDREDS of rosaries were prayed (*see below!*)

THE ROSARY SELFIE

The students had an overwhelming devotion to Mary this year, and almost daily a "rosary selfie" was posted in our CCM group chat. From living rooms, the Quad, car rides, and more, rosaries were being said for our students, and for you!

JMU CCM has grown so much over the years. We are blessed with an incredible group of students who are growing together in holiness, challenging and encouraging one another along the way. Please pray for all of the students who are involved in our ministry, *and pray a little extra for all those who we have not met yet!*

Praise God that we see roughly 450 people at Mass on Sundays, but on a campus of over 20,000 students, we can do better. We have got a lot of work to do, and we won't rest until they have all encountered Christ.

I was confused at first when we walked into a Last Stop meeting (*an Alcoholics/Narcotics Anonymous program serving Camden and Kensington*) and were told we would not be taking an active service role. My mistake was thinking that I was going to Camden to hand out sandwiches and call it a day. That's what a service trip is, right? **That was not our purpose in Camden.**

We had the privilege of learning to love the city and the people in it.

I did not meet 'some homeless guy,' I met Frank, and he is very proud of his trash packing skills. I did not meet 'some recovering drug addict,' I met Alex, one of the biggest bookworms I have ever encountered who still has not read *Hitchhiker's Guide to the Galaxy*.

I did not help the faceless masses. I got to know people with history, with personality, who are more than their current situation. I met people with struggles who have a faith in God that I can only describe as humbling.

I experienced the love that the people of Camden have for their city and for one another. What little they have, they use to help others. I think we could all learn a lot from Camden, the City Invincible.

THANK YOU,

for all the ways you support us during the year.

Please know you are in my prayers.

Rev. Peter Nassetta, Y.A.

PARTNER WITH JMU CCM TODAY

Our ministry depends on the kindness of our alumni, parents, and community members in order to run. Without your help, my committee cannot post fliers around campus, create t-shirts, print bulletins, or hand out pens!

Becoming a monthly donor is the easiest, most effective way to have a direct impact on our faith lives. It cuts down on overhead fundraising costs, saves you time and checks, and allows us to plan for the upcoming school year. (You will also get fun mail from us, the students, and hear about how your money is being used!)
