

Counseling Services Referral Form

Counseling services at St. Matthias School will be provided by **Jennie Statczar, M.A., LPC** during the 2020-21 school year. Jennie is a member of the Spirit of Peace Clinical Counseling team, which serves couples, families, individuals, and school communities across the greater Columbus area.

Jennie Statczar is approved by the State of Ohio Counselor, Social Work and Marriage and Family Therapist Board as a Licensed Professional Counselor. She holds a Bachelor of Science degree in Applied Psychology from Franklin University and a Master of Arts degree in Clinical Mental Health Counseling from Ashland Theological Seminary. Jennie is a member of the American Counseling Association, Ohio Counseling Association and serves as Chair for the Awards Committee.

Jennie is available to serve St. Matthias School students through individual counseling, small-group counseling, or in- classroom guidance. If your child is struggling with stress or anxiety, sadness or grief, attention deficit or hyperactivity, loneliness, or low self-esteem, individual counseling may be helpful. Children experiencing changes in their families (e.g., the arrival of a new baby, divorce, remarriage, or the loss of a loved one) may also benefit from counseling. Jennie can also support children facing academic- and/or peer-related difficulties. Students can be referred for counseling by their parents/guardians, teachers, administrators, or school staff. Be assured that ongoing individual or small-group counseling *would not occur* without the written consent of students' parents/guardians.

Counseling services are provided to students at **no additional cost**. All counseling is confidential although some limitations do exist. The attached Informed Consent form contains additional information regarding limitations to confidentiality in counseling.
