

Revelation Lesson Part 2 for Online Workshop of October 11, 2020

We Are Made Out of Love

Standing near the top of Longs Peak in Colorado makes a person feel tiny, and insignificant. At the same time, it makes you feel like you are a special part of a grand creation. We know the story of creation; we know Adam and Eve. But being on that mountain gives us a spiritual view of how God made us, and nurtures us through our lives.

Scripture Reading Genesis 1

“In the beginning.” It is a miracle that God had so much love to give that He decided to create the world, and everything in it, in order to share that love. God loves the land and the water, all the sea creatures, and the animals. But most of all He loves us, all the people on earth.

What Catholics Believe

The beauty of the universe comes from diversity of beings, and the relationships that exist among them. We reflect the beauty of the creator.

God has always been, is, and always will be.
