

### **\$ Ben's Men Scholarships \$**

Ben's Men will award scholarships to high school seniors of the 2021 graduating class from our three parish churches: St. Francis of Assisi, St. Isaac Jogues and St. Benedict the Abbot. The purpose of these awards is to recognize students with good academic standing who are actively involved in parish/community life. Scholarship applications can be picked up at the office of St. Francis or St. Benedict churches until May 10, 2021. Members of Ben's Men consider it a great honor to recognize the graduating senior class and their accomplishments, and hope that this award helps to fortify the love and support they have from their parish family now and in the future. These awards are made possible through the active support of the various Ben's Men fundraising efforts by our parishioners. Please contact Jack Curran at 724- 255-8783 with any questions or concerns.
