

## Online Fundraising

***THIS IS OUR PREFERRED METHOD OF FUNDRAISING FOR THE BOOK A THON.  
Please make every effort to have your friends and family make their donations this way.***

We are using a new online platform this year called 99 Pledges. This one seems simpler than ever but please have patience if there are any glitches along the way. There is nothing for you to set up... it is all already done for you. You will get an email with your child(ren)'s individual fundraising page(s). Each child will have a unique link that they/you can share via email, text, social media, etc.

*If you do not receive an email, follow these steps to find your child(ren)'s page(s):*

1. <https://app.99pledges.com/fund/KABOOKATHON>
2. About halfway down the page, click on the drop down menu below "All Participants"
3. Select your child's grade
4. Your child's name should appear below. Click on "See More" if you don't immediately see your child's name.
5. Click on their name to access their individual page.
6. Copy the link to share with family and friends.
