## Grand Knight's Report

Brother Knights

I hope everyone has recovered from the grueling week of the fair. I would like to express my appreciation for all the Knights, their wives and families who worked at the fair and made it such a great success. The cash register receipts indicate that our gross income was very close to last year's gross so our net income should be higher because our margins were higher than last year's. Thanks everyone for your hard work. Thanks to Craig Frei for purchasing the lumber and leading Gary Fessler and myself in building a handicap ramp for Bill and Linda Houghton's house. This is what being a Knight is all about. There are a lot of opportunities in September for the St. Pius Knights to be involved in church activities. I hope to see many of our council members in their vests at these events.

May God Bless,

Tom Tintinger
