Prayer

Prayer is a powerful force-it will change a life's course for it goes to the very source of things over which we have no recourse. Lord, You inhabit prayer and praise when our voices to You we raise; whether for glory or supplication, we merge in communication. Almighty, Omnipotent Power, we can come to You at any hour reaching out in fervent prayer of Your presence so aware. In prayer, we become one heart, You, Lord, the divine part. In this unity, You lift us up to share with You the divine cup.
