

Outreach Ministry

Dear sisters and brothers in Christ,

One of the questions I constantly ask myself is: How can we as a parish continue to grow in sharing the Good News of Christ with everyone? I believe we can do this by making our parish a community of intentional and committed disciples.

For the past six weeks, I have been meeting with some of our parishioners who have expressed a strong desire to serve our parish community as outreach ministers.

What is Outreach Ministry?

It is a fact that sometimes when we come to church, we look around and notice that the person who normally sits next to us on the same pew or on the pew in front or behind you is not there. We may also be wondering about a parishioner we have not seen at Mass or other parish events for some time. You may even know a former Catholic who is now homebound or a Catholic who has stopped coming to church for some other reason. Our new parish outreach ministry wants to reconnect them with Christ and our parish community.

The role of outreach ministers is to care for parishioners, especially those who are absent from the community; making our visitors feel welcome, getting to know each other and welcoming back our missing brothers and sisters.

Next weekend, the Outreach ministry will be officially launched at Holy Trinity. A member of this new ministry will share a few words with us at the 5:00 pm and 10:30 am Masses and ask for our participation. This is good for the growth of our parish. This is good for the work of evangelization.

God bless you,
