**Choosing our journeys**

July and August are traditionally the months when people take holidays. For most of us, a holiday involves a going, a journey of some kind. An important part of a holiday is leaving the familiar, the place where we usually live and work, and heading off to a different kind of place. There is always something exciting about setting out on such a journey. There are other journeys in life that are not of our choosing in quite that way. These are journeys we make because, at some level, we feel we must make them. Something within us moves us to certain path, to head out in a certain direction. Even though we sense the journey may be difficult, and we may have all kinds of hesitations and reservations about it, nonetheless, we know we have to set out on this path, if we are to be true to ourselves. Yes, we choose to make such a journey, but it is a choice in response to what seems like a call from beyond ourselves or from deep within ourselves.

Such a journey is put before us in today's first reading. Amos, according to himself, was a shepherd and a dresser of sycamore trees in the southern kingdom of Judah. Yet, at a certain moment in his life, he felt under compulsion to make a difficult journey into the Northern kingdom of Israel in order to preach the word of God there. It was a most unlikely journey for the likes of Amos to make, and Amos was well aware that it would be no holiday. Yet, he also knew that this was a journey he simply had to make. He spoke of this compulsion in terms of God's call: 'The Lord took me from herding the flock and said "Go".' Amos went because he had a strong sense that he was being sent. In a similar way,

in the gospel, the disciples set out on a journey because they are sent on that journey by Jesus. They set out freely, but in response to a call, a sending.

The experience of Amos and the disciples can be our experience too, setting out on a journey not completely of our choosing. The second reading suggests the mystery of God's purpose for our lives. It says that God wants us to live in a certain way, to live our life's journey as Jesus did. Although we often make all kinds of journeys of our own choosing, whether holidays or business or other trips, there is sense in which we try to allow our God to guide us to take certain paths and to avoid others, moving us in one direction rather than another. Although God has chosen this journey for us — 'before the world was made', according to St Paul — God wants us to also choose this journey for ourselves, and waits for us to do so. This is not a choice we make once and for all; it is one we are constantly remaking. All our lives we can keep on choosing to surrender to God's purpose for us; we keep setting out on the journey God is calling us to take; we keep inviting God to have his way in our lives, saying with Mary, 'Let it be to me according to your word.'

If we keep choosing the journey that God has chosen for us in Christ, responding to God's call, this will impact on the many smaller journeys we take in life. It will influence our holidays for example. We will choose to holiday in ways that are genuinely recreational, that help re-create the image of God's Son in us. We will relax in ways that are life-giving for ourselves and for others, in ways that help us to become more fully the person God wants us to be.

## Adoration

Did you know that Thursday evenings at 7:00 pm you have the opportunity to come and adore our Lord Jesus Christ for an Hour or more. What a way to have time alone with Jesus, praising and giving thanks. We may also wish to recite our favorite prayers, read the bible, contemplate acts of faith, hope, charity, offer reparation for grievances against Him, pray a rosary or do whatever type of prayerful devotion that suits us before Our Lord. Or, we can simply sit and say nothing, just savoring His Presence with us.

Over the last year, many parish ministries were "inactive" due to the pandemic. If you are now returning to volunteer in a ministry you must ensure you are up-to-date on your Safe Environment Compliance. Please call the Church Office to ensure your status.

**Protecting Our Youth:** Effective June 28, 2012\*, Diocesan policy requires ALL employees and volunteers (age 18 and up) to be Safe Environment Compliant. This means he/she receive VIRTUS Protecting God's Children for Adults training, undergo a background check, and read and acknowledge a Code of Conduct in advance of employment or volunteering ministry. A five-year training refresher is required for all active volunteers/employees, and certain roles require monthly training bulletins. If you have any questions, please contact your parish/school Safe Environment Coordinator, or Joan Altmeyer, Director Safe Environment (912) 201-4074. ## What does the Catholic Church say in regards to the Covid-19 vaccines?

- The chairs of the Committees on Doctrine and Pro-Life Activities of the United States Conference of Catholic Bishops have declared that the Pfizer and Moderna vaccines are morally permissible and can be used in good conscience. But if these are not available, it is morally acceptable to receive COVID-19 vaccines that come from compromised cell lines like Johnson & Johnson's vaccine.
- The Bishops have concluded that "being vaccinated safely against COVID-19 should be considered an act of love of our neighbor and part of our moral responsibility for the common good."
- Please know that all decisions related to your health care are personal and individual. We join together praying for an end to the pandemic in a spirit of hope and healing.
