## **SELF-CARRY ASTHMA INHALER PERMISSION INSTRUCTIONS**

It is recommended to have a rescue inhaler available to the student in the clinic as well as have one available to self-carry especially for field trips.

**A *Student Asthma Information* form must be completed by the parent or guardian and physician for all asthmatic students.**

In addition, **BOTH** the *Request to Administer Medication to a Student During School Hours* and *Authorization for Student Possession and Use of an Asthma Inhaler* forms need to be completed by both the physician and parent in order to have self-carry permission.

For questions, please call the school nurse at 614-882-6892.
