Faith The Great Grouping FORMATION

After your child complete each of the week’s tasks, mark it on his or her sheet with a sticker or your initials to keep track. What are the tasks each week?

Read Gospel – Read and discuss the Sunday Gospel as a family using *Celebrating Sunday for Catholic Families*.

Look up in Bible – Ask you child to look up the Bible passage in a Bible. This will help them become comfortable looking up a Bible passage. If your child is in Preschool or Kindergarten, you can simply reinforce each week that a Bible passage is cited with a book name, a chapter, and a verse (i.e. John 3:16).

Catechism – Read and discuss the assigned Catechism questions for the week. If your child is in Preschool or Kindergarten, the Bible story in the *Jesus Storybook Bible* counts for this.

Gospel Worksheet – Have your child complete the Gospel worksheet that is emailed home each week.

Video – Watch at least one of the videos that are emailed home each week.

After your child completes a full page (35 stickers/initials), submit it to our Faith Formation office by dropping it in the collection basket, mailing it to the church office, or taking a picture of it and emailing it to jgawaldo@greatgrouping.org. We will give out an award to be determined for completed sticker sheets.
