A Holy Moment is a moment when you are being the person God created you to be, and you are doing what you believe God is calling you to do in that moment. It is an instance where you set aside self-interest, personal desire, and what you feel like doing, and embrace what you believe will bring the most good to the most people at that moment.

~From best-selling author Matthew Kelly's book, *The Biggest Lie in the History of Christianity*, the book that the parish handed out at the Christmas Masses.

If you don't have a copy, pick one up in the back of the church or hall. We will also have some copies of this book available at this event for each family.
