## Friendly Caller Ministry!

The year 2020 has provided many challenges. This year has been a particularly difficult year for those who are alone and homebound and who are in need of someone to pray with or talk to.

We are approaching the Holy Season where no one needs to be alone and we are here to help. Please help us to identify those who are isolated and homebound.

If you are aware of a parishioner who is alone please alert our Friendly Caller Ministry at 410-592-7294 with their name and phone number. A ministry volunteer will reach out and offer a friendly voice after the New Year.

Thanks in advance for helping us better serve our parish family.
