What is a pastoral council?

Catholic pastors consult pastoral councils in order to be better leaders. Bishops and priests ask their councilors to investigate some aspect of the church, reflect on it, and recommend their conclusions. In brief, the work of the pastoral council is pastoral planning.

Pastoral Councils advise pastors. Pastoral Councils work toward consensus they never vote on issues.

Pastoral Council members are the eyes and ears of the pastor. They bring forth ideas from the community to be discussed by the pastor and his councilors.
