

# St. Aloysius, Gate of Heaven & Sacred Heart Church

THE ELEVENTH SUNDAY IN ORDINARY TIME JUNE 13, 2021.

## Reflections on The Most Holy Eucharist

**Scripture lessons:** The first reading, taken from Ez 17:22-24, is a Messianic prophecy. Ezekiel tells us how the Lord God of Israel will allow a descendant of King David to become the Messiah and Savior of the world. In contrast with the parable of the tiny mustard seed in today's Gospel, Ezekiel sees the Messiah originating in a royal family (lofty Cedar, David). In today's Responsorial Psalm (Ps 92), the Psalmist sings of Jesus, "*The Just One shall flourish like the palm tree, like a Cedar of Lebanon shall He grow.*"

**Life messages:** 1) We need to cooperate in the growth of God's Kingdom: The Kingdom of God is the growth of God's rule in human hearts that occurs when man does the will of God and surrenders his life to God. The seed of Faith lies dormant within each of us. When we permit the Holy Spirit to nurture it with TLC (tender loving care), it grows miraculously to gigantic proportions. The growth is slow and microscopic in the beginning. But the seed grows by using the power of the Holy Spirit, given to us through the Word of God, the Mass, the Sacraments and prayer. As we learn God's will from His words and try to put these words into practice, we participate in the growth of God's Kingdom on earth, a growth which will be completed in our Heavenly life. But since we need the special anointing of the Holy Spirit to be doers of the Word of God, let us offer our lives before God every day, asking for this special anointing. 2) We need to avoid getting discouraged: Since the acceptance God's rule by human beings is a terribly slow process, there is the danger of discouragement and hopelessness among preachers, evangelizers, and believers. The conviction that growth of the Kingdom of God is the work of the Holy Spirit and needs our humble cooperation should make us optimistic in continuing our work of witnessing. We should continue sowing tiny seeds in the form of words of love, acts of encouragement, deeds of charity, mercy and forgiveness.

**Admire God's Generous Creativity**

As we look around us in the cathedral of nature, we see so much beauty—the green trees, the blooming flowers of late summer, and the flowing water of our rivers and lakes. Where did they originate? Who designed them? How did they come to be here? Have we ever looked at a blade of grass in all its simplicity? Why has one flower five petals and another ten or even twenty or more? Why do roses have thorns and pansies do not? Trees come in so many different forms. Some have needles and others have leaves. Even the bark differs from one tree to another. Red pine trees have red on their bark while white pine trees have white on their cones. Think of all the varieties of maple, oak, elm, and birch trees. The difference between trees and shrubs, the varying age of trees in the woods—all mirror the creative and generous abilities of our God.
