

# St. Paul Christian School Newsletter

March 2017

Volume 21 Issue 3

## Tuition Due

Tuition is due by **Friday March 3<sup>rd</sup>** **BEFORE** we leave for Spring Break on the 6<sup>th</sup>. Late Fees **WILL** be assessed if tuition comes in when we return on the 13<sup>th</sup>.

## Dr. Seuss Family Night

Join us for our annual Dr. Seuss Family Night this **Thursday, March 2<sup>nd</sup> from 5:30-7pm**. We'll enjoy Dr. Seuss themed food (green eggs and ham, pancakes, strawberry and banana skewers, etc), reading and literacy games, and a photo with **our very own Cat in the Hat**. Children are encouraged to dress up as their favorite Dr. Seuss character! It's always a fun night for our friends.

## Kindergarten Meeting moved

Due to an illness in Mrs. Treadway's family, we have moved the Kindergarten information meeting to **Friday, March 3<sup>rd</sup> at 9:15am** in the Fellowship Hall. Please keep Mrs. Treadway's mom in your prayers.

## Spring Break

Spring Break is **March 6<sup>th</sup> - 10<sup>th</sup>**. Enjoy your break!

## 2017-18 Registration Has Begun!

Registration for 2017-18 for current students started February 17<sup>th</sup>. Turn in your applications to reserve your child's spot today!

## Please Review Us!

We would be honored if you would leave an **honest** review about our school on Yelp!, Facebook, Google, or Nextdoor.com. Social media reviews are the new word-of-mouth and reviews on these sites will greatly increase our visibility, especially as new families move to

the area for all the new business expansions! Thank you in advance!

## Moms2Moms Breakfast

Please join us on **Friday, March 24<sup>th</sup> at 9:15 AM** for breakfast, conversation, and our guest Speaker. Babysitting is available.

Cristina Thomas from North Texas Poison Center will speak on the following: Poisoning is the leading cause of death from injuries in the U.S. - ahead of motor vehicle crashes and guns.

From lead in toys to concerns about cough medicine, parents have been inundated with news reports about their children's exposure to potential poisons.

Please know that the North Texas Poison Center is always here to help you.

Public Health Educator--Cristina Thomas--will discuss the services the North Texas Poison Center offers, how to prevent poisonings from occurring, and what to do if your child or someone you know has been poisoned.
