Moms and Dads, As you are finding masks for your children can you do your best to find a mask that fits their face. Some of the mask slip right down and others end up right in the kids mouths. I know this is difficult and still very new in life.

IMPORTANT

Please remember as we approach our blessed holidays of Thanksgiving and Christmas that we need to do our best to keep everyone safe. If you are going away or you are going to be with family I am asking that everyone do everything they can to stay healthy and safe. I am also asking everyone to use their best judgement when you send your children back to school. We are leaving the decision up to the parents in regards to whether it is safe to send your children or to have them learn remotely. Please use your parent instincts and keep your children safe and all of us at school healthy.

Our 5th and 6th Grade have been studying Composers/Decomposers and Producers in science and enjoyed a great lesson with gummy worms, gummy bears, gummy sharks and actually were able to eat the lesson. **Learning is so much fun.**

MAY GOD BLESS EVERYONE WITH A HAPPY THANKSGIVING.

A Prayer for Putting on a Face Mask

Creator God, as I prepare to go into the world, help me to see the sacramental nature of wearing this cloth. Let it be a tangible and visible way of living love for my neighbors, as I love myself.

Christ Jesus, since my lips will be covered, uncover my heart, that people would see my smile in the crinkles around my eyes. Since my voice may be muffled help me to speak clearly, not only with my words, but with my actions.

Holy Spirit, as the elastic touches my ears, remind me to listen carefully and caringly to all those I meet. May this simple piece of cloth be a shield and banner, and may each breath that it holds, be filled with Your love. In Your name and in that love, I pray. Amen

1st and 2nd grade has been learning about maps in Social Studies. They went on a secret mission this week using a map with a key and a compass and went out to the playground and found their secret treasure using the map. **Learning is so much fun.**
