

PENNRIDGE FISH SUMMER LUNCH PROGRAM

Children should be able to have fun and enjoy the summer without worrying about where they will find their next meal. Hunger does not take a vacation!

Local families with children who receive free or reduced cost breakfast and lunch during the school year struggle, when school is out, to provide these meals.

To help fill this gap, Pennridge FISH food pantry provides each of our families (with school-aged children) with a bonus "Summer Lunch Program" bag when they do their monthly shopping at the pantry in July & August.
