The World's Largest Diaper Drive

Hey Everybody!

Did you know that 1 in 3 young moms struggle to provide clean, dry diapers for their infants and toddlers? That's terrible! But here's the good news -WE CAN HELP these young families by helping a great organization - BOTTOM UP – to collect 250,000 diapers for THE WORLD'S LARGEST DIAPER DRIVE culminating on May 1st!

The Shaw family and St. John Catholic Church are coordinating a Diaper Drive in support of this great effort . YOU CAN HELP by choosing one or more of the following:

1. Bring diapers of any size to the church office (351 N. Market St., Logan - office is in back, accessible via the alley) before noon on May 1. Their hours are generally M,T,Th,F from 8-12 and 1-4. You can contact (Matt or Christine Shaw – leave a comment or send a Facebook message) and we will arrange to pick them up at your home.
2. Get your monetary donation to Matt or Christine (Venmo and PayPal available - message us!) and we'll go buy diapers with your money.
3. Please share with your friends and family!
4. Go to www.worldslargestdiaperdrive to donate directly to Bottoms Up!

All the diapers we collect will be given to Bottoms Up on May 1st. Let's help them reach their goal of 250.000 diapers!

Thanks for your help! Please share this post and help end diaper need in our community!
