**Safe Haven Sunday
 Equipping the Family, Safeguarding Children
 November 2 – 3**

The family home is to be a safe haven. But the inappropriate use of technology in the home deprives it of this role and is the greatest threat to the sanctity of marriages and families today. Pornography and other online threats are often one click away, and parents can feel overwhelmed with not knowing how to best protect their children in our fast-paced digital world. To provide you with the tools you need to overcome pornography and to make your home a safe haven for children and adults, our diocese will celebrate its first-ever Safe Haven Sunday on November 2 - 3. Fr. Ruelle will be addressing the topic of pornography at all Masses that weekend. Families are asked to prepare their children for this somewhat sensitive topic beforehand. We will also have a free book, *Equipped: Smart Catholic Parenting in a Sexualized Culture* available for families to take home.
