Message from Fr. Bill

November 1st is All Saints Day! Few things in our Catholic tradition are more interesting than the stories of the Saints. They are heroes for us to look up to, examples to follow, and helpers who pray for us from heaven. I have a lot of favorite Saints, but my most favorite is St. Therese of Lisieux. It was when I started praying to her back in my college days that I discovered my vocation to the priesthood. Who's your favorite Saint?
