Lent is the time of preparation in prayer, penance and charity for the Pascal mystery of Jesus' passion, death and resurrection. During this period, it is good to read and reflect the word of God. Questions are taken from the Gospel of Luke, Chapters 15 through 24 from new revised American Bible.

You can do it as family/individual. There will be a marked box at each back of the church in which to place your finished set of questions or send to parish office. They may be turned in any time before **April 1st 2021**.

You will be qualified for a prize. Even if you don't complete, please hand it in. The questions are prepared by Fr. Leo Johnson & Fr. Baskaran, they own the final decision.
