Approval of Minutes Sue Clyne, Steve McNeill

Principals Report

- Approval to move forward with training the teachers in Classical Education; training will begin in June and will be discussed at next week's Faculty meeting
- May be opportunity for private funding/donations to send teachers to the week-long training
- Current enrollment P3-8th is 276 for 2018-2019 year, there are 27 students not yet re-enrolled, 9 students have withdrawn (mostly expected due to family relocation, children not moving to upper grades and have older siblings in public schools)
- Diocesan policy manual update sent to LAC members to read through and ask for clarification at the next meeting

CSGK Report

- Sue is encouraging more attendance at the CSGK meetings
- She is concerned about the lack of vision and direction for the school system.

LAC Discussion

- Small projects proposals for summer agenda
- Building facility committee should look at barricades for door during active shooting drills
