

## Sacred Heart 2021-2022 RE/YM Information

### **Part I: Expectations / Definitions:**

1. Parents, as the primary catechists, should be providing daily instruction for their children, especially in prayer and morality but in all aspects of passing on the faith. Parent(s) will be considered the **family catechist(s)**. Family catechists provide formation with the home (the domestic church).
2. At a minimum, family catechesis should include prayer, Scripture, and Mass, as well as morality training (knowing right from wrong, knowing about sin, and going to Confession).
3. Students in Grades 1-12 will also participate in weekly sessions, based on their age level.
4. The Faith Formation (CCD, CYM, and SHOCK) leadership team will provide support as the secondary catechists. Those on the RE leadership team include the pastor, the DRE, parish catechists, the CYM adult leadership team, and the SHOCK adult leadership team.

**Parish catechists** are those volunteers who live the faith and agree to pray, prepare, and study so as to be effective witnesses to the Gospel of Jesus Christ.

The **CYM adult leadership team** and the **SHOCK adult leadership team** are volunteers who have agreed to accompany our teens, as witnesses who live the faith, grow in faith, and pass on the faith following from the baptismal call to be disciples of Christ.

### **Part III: Other Information**

#### **A. Suggestions for family catechists:**

1. Set aside at least one time each week where the family can focus together on prayer and study of the faith. This means no phones, no TV, no distractions. Also, if possible, the time should be consistent so that the children have a routine.
2. Focus on prayer, Scripture, and the weekly lesson(s) in the materials provided by the parish during this time.
3. At home study of the faith is in addition to the Mass.
4. Why should families study the faith together?
  - a. Parents are fulfilling their promises made in the Sacraments of Matrimony and Baptism to pass on the faith to their children.
  - b. Parents will grow in faith with their children.
  - c. Group catechesis at the parish is also required because our faith is based not only on the individual's relationship with God, but also his/her relationship within the community which is the Body of Christ.
