[youtube.com/watch?v= hYfUOJItGo&t=1104s](https://youtube.com/watch?v=hYfUOJItGo&t=1104s)  
This NFP conversation explores the ministry of two former diocesan NFP coordinators who began their work in the early years of the world-wide NFP movement. Donna Dausman is the former director of the Office of Marriage and Family Life in the Diocese of Springfield (IL). Mary Pat Van Epps is the former NFP coordinator of the Diocese of Memphis. Both women are master teachers of the Billings Ovulation Method®. In the late 1980s, Bishop James T. McHugh, the founder of the U.S. Catholic bishops' NFP Program, invited Dausman and Van Epps to join a working committee of other NFP experts that would write the bishops' Standards for Diocesan NFP Ministry.
- NFP Pioneers—Hanna Klaus, MD  
[youtube.com/watch?v=TGBrenyjCrw&t=354s](https://youtube.com/watch?v=TGBrenyjCrw&t=354s)  
Many of you may know Dr. Hanna Klaus, an Ob/Gyn and Medical Missionary Sister, who is a pioneer in NFP and fertility education. Dr. Klaus specifically has been devoted to education about the Billings Ovulation Method® and adolescent fertility appreciation. As founder of the curriculum Teen STAR, a global adolescent fertility appreciation program, Dr. Klaus sees that as her most important work.
- NFP Pioneers—Mary Shivanandan  
[youtube.com/watch?v=5X7z0bt485U](https://youtube.com/watch?v=5X7z0bt485U)  
Mary Shivanandan, STD, is a pioneer in general outreach education about the methods of NFP and the philosophy/theology which supports their use in marriage. Dr. Shivanandan is a Roman Catholic consecrated widow, mother, and grandmother. She is professor emeritus of the John Paul II Institute for Studies on Marriage and the Family (Washington, DC), and a well-known speaker, and author.
- Diocesan NFP Ministry, Leading with Church Teaching— Alice Heinzen and Cindy Leonard (To be posted on YouTube—watch for an announcement!)  
Alice Heinzen is the former director of the Office of Marriage and Family Life in the Diocese of La Crosse. Cindy Leonard is the former coordinator of Natural Family planning in the Diocese of Phoenix. Heinzen and Leonard discuss the importance of promoting NFP methods as a support to God's gifts of married love and life.

In addition to the above, over the years the USCCB has linked to some great couple witness videos produced by NFP leaders and other solid Catholic organizations.
