

Help Us Feed The Hungry

"Because hunger has no season"

40 Cans for Lent is a program designed to help fight hunger in our community. The concept is simple - collect can food during the Lenten Season; a small sacrifice to make a BIG difference in the lives of those in need of food in our community. All food donated will help stock our St. Vincent de Paul neighborhood food pantry. St. Pius X Catholic Church and School in conjunction with the Knights of Columbus, Alamo Council 4298, would like to invite you to **"make a difference"** in our community-wide food drive. Our parishioners, students, teachers, along with Parish ministries and organizations are encouraged to participate. For more information, or if you would like to make a monetary donation, please visit our website: www.stpiusxa.org.
