

St. Pius X Confirmation Program

Our new confirmation program is unique, but it allows us to meet our youth where they are at in their faith journey and walk with them towards heaven! Our new program is a 2-year preparation that culminates in the youth receiving the sacrament of confirmation. Each year there will be a series of requirements, and there will be certain requirements that the youth only do once.

These are the one-time requirements:

- At their registration they will have to turn in a copy of their baptismal certificate to attend classes
- The youth will set up an in-person interview with me before classes begin for Confirmation 1
- Their second year, they will select a sponsor and a confirmation Saint, which will need to be done and paperwork filled out before they can begin year 2 classes
- The youth will have to attend a retreat in their second year of confirmation preparation (typically in December or January)
- Complete their Saint project in their last semester of Year 2; and complete an exit interview with me.

The yearly requirements are as follows:

- Attendance at all 8 gather sessions (only 1 absence is permitted)
- Attendance at 1 service day, which will be hosted by St. Pius X
- Involvement in 2 ministries in the Parish, one of which needs to be a liturgical ministry
- Turn in all 8 mass reflections
- Turn in all 7 personal reflections after watching the assigned video
- Turn in all 7 family prayer reflections
- Attend our reconciliation service in the Spring of each year
